

# Crossman Receives Award As Prominent Phys-Edder

### Name To Be Engraved On White Hall Plaque

Voted the outstanding senior woman in physical education this year, Pauline Crossman '43 has been named the recipient of the annual award of the School of Physical Education.

Selected for scholarship, extra-curricular activities, personality, and contribution to the College, Miss Crossman will have her name engraved upon the plaque in White Hall lounge.

Miss Crossman is Mortar Board president, a member of Lakonides, women's physical education honorary, and was recently elected to Phi Kappa Phi national scholastic honorary for seniors and graduate students.

Formerly WSGA treasurer and WRA secretary, Miss Crossman also served on the Interclass Finance Board, and belonged to Owens, national sophomore women's activities honorary.

The award is made annually by the Executive Committee of the Physical Education School to a senior coed enrolled in the school. Dr. Lloyd N. Jones, associate professor of physical education, was in charge of the committee selection.

## Dean Urges Coeds To Sacrifice—Give To Christmas Drive

"We realize that we are the only people on earth living in comfort," Charlotte E. Ray, dean of women, said at the WSGA House of Representatives meeting this week. "Now is the time for us to do without some of this comfort."

Miss Ray expressed her deep interest in the annual WSGA Christmas drive as she urged drive leaders to make this year's campaign an unusual success because of the increased need of the three organizations—the Mifflin County Children's Aid Society, the American Women's Hospitals Federation, and Mrs. Hetzel's Emergency Loan Fund.

Since 1926 Penn State women have aided groups with their Christmas contributions. In the five days remaining coeds will try to break previous records with a goal of \$400.

For nine years not a Christmas has gone by without a note of thanks from one particular family, expressing gratitude to coeds whose generosity helped them nine years ago. Alumnae still contribute to the Drive because they cannot forget help or happiness gained from either giving or receiving when they were in college.

House of Representatives and Freshman Council members will ask each woman for her contribution. There will be some who refuse because "they cannot afford it."

Miss Ray suggested that before coeds decide how much to give they ask themselves honestly, "Do I need this money as much as someone else may need it for food and shelter?"

Four coeds have been appointed as guides for the children and will be assisted by members of WRA Activities Clubs. Guides will be Martha J. Haverstick '43, Beatrice M. White '43, Mary Alice Carswell '44, and Priscilla T. Cobb '45.

Popcorn balls and candy canes will be served as refreshments, Miss Stevenson said.

Defeating Wo-Mac 34-14, Phi Mu dropped their opponents from the double eliminations tournament; Wo-Mac previously lost to Phi Mu 27-1. High scorers for Phi Mu were Olive Van Houten, who rang up nine baskets and four fouls, and Mary Werts, who sank seven field goals. Flora Laughlin's three baskets and one foul led Wo-Mac scoring.

Ath East downed AOPi 29-14 to stay in the running for the IM championship, while the loser is eliminated because of a defeat last week. Polly Rugh tallied 16 points for Ath East to be game high scorer; AOPi's Mary Ann Jennings was runner-up with 12 points.

Gamma Phi Beta defaulted to SDT; each team has lost but one game.

### Theta Downs Kappa 21-18

A 21-18 win over Kappa enabled Theta to advance in the tournament and eliminated the losers. Marge Sykes with 8 points, Perky MacLellan with 7, and Jimmie Irwin with 6 accounted for the Theta

score, while Helen Martin rang up 11 points for Kappa.

In the final game of the evening, Alpha Chi lost to Jordan 24-19. Estelle Brown's 14 Alpha Chi tallies led the scoring with Becky Walter earning 12 for Jordan. Neither team was eliminated.
