

## BETWEEN THE LIONS

By BEN BAILEY  
Sports Editor

Fans who attend varsity gym meets this season will welcome the much-simplified method of scoring adopted by the Intercollegiate body.

Instead of the point system formerly in use where the judge could shuffle a mathematical deck of cards and dish out points at his discretion, Gymnasts will now use the system common to golf and tennis.

In all dual meets the team line-ups will be shifted so that the best man on team A meets the best man on team B, the second-best man on A meets the second-best man on B, and so on down the line.

This shift will practically eliminate the type of team which wins its meets on the performances of one or two outstanding stars, since every contestant will engage an opponent of approximately equal ability.

As two opponents conclude their performance the three referees will immediately pick the winner, just as the winner is selected at the windup of a boxing match.

Each winner earns only one point toward his team score. With a limitation of three contestants from each team for each of the six events in a meet, a perfect team score would be 18 points.

The individual cannot compete in more than three events under the new system, where formerly he was allowed to keep piling up points as long as he had enough strength to stay off the floor.

The overall effect of the new method not only will bring the scoring system within the understanding of the average spectator, but will also heighten the competitive spirit of the sport.

The contestant will naturally feel more like trying to win if he is pitted against someone of comparable ability, than if he is shoved into the meet to tail along behind a star performer rightfully belonging in another league.

### Nittany Gymnasts Hold Second Meet Saturday Afternoon

Competition between Coach Gene Wettstone's upperclass and underclass gymnastic squads will again take place in Rec Hall, 2:30 p. m. Saturday afternoon.

The coming exhibition will be the second in a series of three which will be presented before the Lions begin their current season by tangling with the Navy team at Annapolis, February 13. Coach Wettstone is still undecided about his starting lineup, and will make use of the results from Saturday's exhibition to determine the starters for the "Blue" meet.

About three gymnasts of almost equal ability in each of the six events are trying to gain berths in the starting lineup.

Results of last week's performances by the gymnasts found the upperclassmen edging out the "yearlings" by a 29 to 25 score.

The exhibition was highlighted by the performance of Chuck Lebow on the ropes. Lebow tied the College record set by Serift last year when he reached the pan in 4.2 seconds.

Exceptional ability was also shown by Bill Bonsall on the rings, Small on the side horse, and Frey on the tumbling mats.

Frey had given a brilliant exhibition of tumbling, but fell off the mats after his final act and dropped to third place in the scoring.

The Lions will be defending their intercollegiate championship this year.

## IM Bowling Scores

Delta Chi continued its league-leading pace in the Fraternity Bowling League Tuesday night when they overcame the third place Tau Kappa Epsilon by a score of 6-2.

Led by Art Christman with a 550 total, the pace-setting Delta Chi's won the first two games of the match 812-756 and 818-809 while losing the last game to the Tekes by a 756-746 count. Best scorer for the Tekes was Milt Stemmler with a 539 total.

In the second match of the evening, Beta Theta Pi won over Alpha Gamma Rho by the same 6-2 score. Ernie Giles was high man for the Betas with a 490 total, while Kinney and Hallowell were high men on the AGR's.

Lambda Chi Alpha, a newcomer to the league, lost their first league contest to Beta Sigma Rho, 8-0. Sid Klemow was best for the winning Beta Sig's while Dick McCord showed up best for the Lambda Chi's.

Sigma Phi Epsilon and Delta Upsilon drew 4 points apiece in their match. The DU's won the first and third games of their match, but the SPE's accumulated enough points to take the second game and then go on and win the two points for high total. Best for the SPE's was Henry Baierl, with DU honors going to Moylan Hull.

A glance at the box scores shows that Milt Stemmler of the Tekes bowled the highest single game with a 179. Stemmler also had the highest total score with a 539 for the match.

## Ice Rink Open Today, Weather Permitting

The newly formed ice rink at the tennis courts will be opened to students and faculty members this evening, if weather permits, stated Charles P. Lebow '44, president of Phi Epsilon Kappa, honorary Physical Education Society.

Lebow said that the society is sponsoring the opening of the rink in the interest of physical fitness for faculty and students in these days when it is so important.

The rink will be open every night of the week, from 7 to 9:30 including Sundays, Lebow said. A fee of fifteen cents will be charged to take care of all expenses incurred in running the rink.

Arthur F. Davis, coach of the Ice Hockey team and advisor of Phi Epsilon Kappa stated that the rink will be open to the public only as long as they do not abuse the privilege and ruin the ice.

The varsity Ice Hockey team uses the ice for practice sessions and may use the rink for home games. The ice will be flooded after each skating session, Davis stated.

Alpha Sigma Phi entertained Kappa Kappa Gamma Monday evening. Approximately 20 coeds attended the social, according to Elizabeth Hyland '44, Kappa social chairman.

## Two-mile Relay Team Undecided

Coach Ray Conger is still undecided as to what team he will enter in the invitation two-mile relay race of the Millrose Games February 6.

Time trials scheduled for yesterday afternoon showed improvement in the times of leading runners who are fighting for the starting positions, Conger said.

The Millrose Classic will take place in Madison Square Garden. Leading teams in the east will be represented, and the competition will be exceptionally keen.

Seton Hall, record-breaker in the Nationals last season, is a favorite to capture this year's two-mile jaunt.

Another Nittany runner to participate in the Games will be Norm Gordon. Gordon, now a graduate student at the College, will run in the half-mile sprint under the colors of Philadelphia's Shanahan Club.

Gordon and Barney Ewell were the only Lion cindersmen participating in last year's Classic. Barney tied the record in the 60-yard dash with a 6.1, while Gordon placed second in the 1000-yard sprint.
