

## Sophomore Squad Noses Out Frosh Cagers, 29-36

### IM Table Tennis to Begin After Vacation

The sophomore interclass basketballers noted out an enterprising frosh squad, 36-29, in the final game of the interclass series. Peggy Northrup monopolized the sophomore points with an interclass high of 30 points, followed by freshman Becky Walter who scored 19 for the frosh.

Individual sophomore scores include Peggy Northrup with 30 points, Mary K. Hopple with 5, and Emmie Northrup with 1 point. Frosh guards were Eleanor Willis, Marjorie Lyon, Carolyn Crooks, Betsy McGee, and Dorcas Newcomer.

Frosh individual scores include Becky Walker, 19; Mary A. Jennings, 5; and Harriet Richards, 5. Freshman guards were Gloria McKinley, Alice Hooper, Betty Wolfram, Betty Huck, and Peggy Quick.

### ARMY-NAVY BASKETBALL. IM TABLE TENNIS

The outstanding coed basketballers from the interclass squads will be selected to play on the Army or Navy teams by Mary G. Longnecker and Miss Mildred Lucey, instructor in physical education. Coeds from each team will elect captains and the team winner of the series will take the majority of three or five games, Miss Longnecker stated.

Intramural table tennis will also begin after vacation. Sorority and dormitory units which were in the bowling and badminton frays will compete in the table tennis intramurals. The sorority or dormitory unit that annexes the most intramural points will be awarded the WRA Intramural Cup, Miss Longnecker stated.

### RED CROSS RALLY

All dormitories and coed units will be asked by WRA to cooperate in the WRA Red Cross Rally which will take place in the White Hall Gym from 7 until 10 p.m. Wednesday, March 17, according to F. Doris Stevenson, WRA publicity chairman. This project will be similar to the Red Cross surgical dressings classes in that all goods made will be donated to men in the armed forces.

### PLAYNIGHT TOMORROW

White Hall Playnight will be held from 7 until 10 o'clock tomorrow, according to F. Doris Stevenson. All White Hall facilities, including rifle range, bowling alleys, and swimming pool, will be open to coeds who attend.

## WSGA to Reconsider Second Semester Frosh 'Move-Up'

After the March vacation, WSGA will have as its first item of business a reconsideration of "move-up day" for second semester freshmen. Remember way back at the beginning of the semester, when the official agreement of the governing body stated that the time of "move-up day" would depend largely upon two factors, conduct and grades? WSGA Senate members will keep their part of the bargain. They will hold a discussion, and the action of the group will depend upon the results concluded in regard to the above mentioned factors. The rest remains the responsibility of the second semester freshmen.

Regulations are made for the benefit of the coeds, not for the satisfaction of Senate or Judicial,

and when these organizations receive proof that freshman women are ready for upperclass permission, such permissions will be granted. Therefore, the decision of Senate will lie in the proof which you women have provided over the past half of the semester, in other words, on how well you have met the other half of the bargain.

—WSGA Senate.

### Curtiss-Wright Program Director Visits State To Check Progress

C. Wilson Cole, Curtiss-Wright employee responsible for and directing the company's Cadette program, visited here Tuesday and Wednesday to view the progress of the program at Penn State.

In an informal speech to the Cadettes Tuesday night in the Sandwich Shop, Mr. Cole expressed himself as "well pleased with conditions at Penn State." He explained Curtiss-Wright objectives in instituting the program, saying that each woman would be fitted for a particular job and would constitute the greater part of the company's supply of engineers next year.

During his stay, Mr. Cole also attended Cadette classes, and discussed the program with faculty members appointed to a planning committee for the course by President Hetzel.

### Masquerettes Apply

Masquerettes, women's division of Thespians, have made application to the Student Welfare committee for recognition as a regular student organization.

## How about a CAREER on the CIVILIAN FRONT?

As a student, you've doubtless asked yourself many times what you ought to do to help win this war. What can you study that will be of practical assistance?

The Retail Bureau at the University of Pittsburgh is offering a new opportunity to college upperclassmen to be trained for a successful career in retailing while gaining actual working experience at a steady weekly salary. You will receive regular undergraduate credit for your work at the Bureau, you'll earn a weekly income in a Pittsburgh department store, you'll be making a definite contribution to civilian wartime morale—at the same time piling up experience toward a career.

Pitt's Retail Bureau came into being during World War I to help retailers replace executives and junior executives lost to the armed forces and government services. In this war, we're bringing 24 years of successful store service to the problem of training new people. And we believe opportunities in retailing have never been greater than they are right now.

NEW SEMESTERS BEGIN MONDAY.

JUNE 28, AND SEPTEMBER 27, 1943

Application blanks will be furnished on request.

## Coeds Get 12 O'clocks For Next Two Tuesdays

All coeds will have 12 o'clock permissions on the Tuesday prior to vacation and Tuesday before classes resume, Ruth M. Storer, WSGA president, stated yesterday. The many coeds who will return to school Tuesday will need this late permission to return on time. Miss Storer also reminded WSGA Senate members that there will be a Senate meeting in the WSGA Senate room, 6:30 p.m. March 10.

### No Intramural Meeting

There will be no WRA Intramural Board meeting Saturday, according to F. Doris Stevenson, WRA publicity chairman.

## V-7 Program

thorities appear on the campus to examine and transfer all ERC enlistees ear-marked for Navy sometime in April, it was stated by Lieut. Batdorf that if a large enough number of qualified engineers applied, the office would send up a board of examiners accompanied by physicians, to handle the work of interviewing and selecting candidates.

Lieutenant Batdorf also remarked that exceptionally well-fitted applicants would be considered if their eyesight was not below 8/20 uncorrected.
