**PLEASE BE BRIEF ON
PUBLIC TELEPHONES
Between 7 and 8 p. m.**

The special equipment in the State College Central Office, which handles calls from public telephones, is overloaded during the rush hour — 7 to 8 p. m. We cannot correct this problem by installing more equipment because of war-time shortages of materials.

For this reason, during the busy hour, there are unavoidable delays before the dial tone is heard on calls from public telephones.

**If you don't hear the dial tone
DON'T DIAL ANY NUMBER
DON'T CALL THE OPERATOR**

Please be patient and wait for the dial tone — then dial the number you want.

If, after you deposit a coin, you decide not to make your call, wait for the dial tone before you hang up. Otherwise, the equipment cannot return your coin.
