

Lions Tales . . .

By M. JANE McCHESNEY

Victory Weekend will start off with a bang tonight with the opening of "Once Over Lightly" which emanates solid entertainment. The initial gridiron tussle with Bucknell tomorrow will set the stage for higher student spirit and Army-Navy morale as will the dance to be held in Rec Hall. Jimmy Burden's and Bud Wills' campus bands, the Navy-Marine and Army Air Corps Band promise a unique program of the latest syncopations.

The Blue Band will render sev-

eral State selections from the stands at the game Saturday but will not march for the duration due to the fact that it is composed of various groups of musicians rather than the traditional all-male undergraduate organization.

At the dance the following couples will be seen . . .
