Lions Tales . . .

By M. JANE McCHESNEY

We've been told that delta gam Betty Story and Bob Egerly were married in New York recently and that Barbara Boak, kappa delt, became the bride of Lieut. William Meyers of the Air Corps, who was a student here prior to his enlistment.

Say, Isn't This Leap Year?

In the line of engagements, we have former Air Corps Queen Kay Metzger and Web Moriarty, phi delt. . . Sally Thompson, aopi, received a ring from Harold Wydell who is in the Air Corps and is stationed at Miami Beach, Florida. . . Jean Purnell, theta pledge, is engaged to Bob Green, alphachisig. . . Shirley Burdick, gammaphi, is engaged to Bob Durkin, acacia. . . Betty Fleming, aopi, received a diamond from Jack Horner, stationed here in Navy V-12. . . Barbara Cotton, frosh, is engaged to Seaman Stuart Damon here in V-12. . . Mary Kay Hess is engaged to Don Croft, Air Corps, Georgia. . . and a correction on last week's column: Shirley Quarter, aephi, is sporting a ring via David Blumberg, pilam at Lafayette University.

With only one pinning to report this week, we want you to know that Shirley Pincus, aephi, is wear-

ing former Stater Billy Kalin's phiep jewelry.

Stars and Stripes and Uniforms

Our alumnae are doing their part personally in the war effort since Virginia Manley, theta alum, was sworn into the WAVES recently to leave February 10 for OCS at Smith College and Betty Highland Van Arsdale is going into the WAFFS soon.

Over Hill and Dale

Here we go again! We hear that James Peterson is having Air Corps trouble? . . . Did you hear that Pete Lindsey didn't know who Gilbert and Sullivan were when the math prof spoke about them? He thought they played for Penn State. . . You know the old saying, "While the cat's away the mice will play." Well, John Wolf of Bks 44 has taken advantage of a certain higher-up's absence.

Whom does Larry Mervis know in Buffalo? He seems to go there very often. . . Bill Samson, the pride of Bks 2, claims he has the cutest dimples. Look out, girls! . . . Can anyone tell us why Carl L. doesn't sleep well at night? Maybe it's because he gets enough during the day. . . George Davis has Bks 42 learning Serbian, and soon it will be the language of the barracks. . . Globe-trotter Lenny Lovits has a girl in every port. On seven recent weekends he has visited seven different places. . .

Leslie Kenyon went out Saturday on a date. Maybe he has gotten over the "pin." . . Ruddy Beluso goes for anyone who is blonde, cute, and Audreyish. . . Room five of Bks 44 has been recipient of multi-type perfume. Each letter received has a differ-

ent odor—and some are pretty bad. . .

A question on a history midterm—Joseph Purlitzer was the originator of "Yellow Jaundism." . . . Ask Joe Paturno if he has seen any wolves lately. . . Anything can happen now. Richard (Nipper) Neiman is going out with a girl.

Ask the men of Bks 8 whether or not Hank Riemer is a good plumber. We hear he couldn't stop a leak in the faucet. . . "Red" Chisolm is another man having Air Corps trouble. . . Pun of the week—Thayer the Surveyor. . . Nurse Lorraine of the school infirmary valiantly stuck up for the ASTP boys and put the Marines in their proper place. Could be because of her "Interest" in 3303 SU.

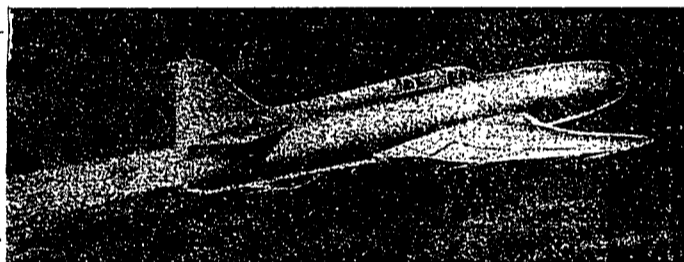

An excellent idea has been initiated by the Phi Delta Theta and Chi Phi fraternities. They have extended invitations to the servicemen who are their frat brothers from other chapters all over the nation. Nice if other fraternities would follow suit.
