Nittany Lions Card Five Spring Sports

Full schedules are planned at Penn State in spring and summer sports, Graduate Manager of Athletics Neil M. Fleming announced today.

The Nittany Lions will compete in baseball, lacrosse, track, tennis, and golf, according to Fleming, who said that the schedules in each of these sports will be completed within the next few weeks.

The usual spring sports will be completed within the next few weeks.

The usual spring sports will extend into July and August under a plan adopted last year to provide athletic recreation for the student body throughout the year. Under the accelerated program, the college is in session continuously except for brief intervals between semesters.

Penn State, in keeping with its announced policy, has maintained a full sports program ever since the war began. Navy-Marine trainees have provided the personnel for most of these teams. Only sport to fall by the wayside was fencing, which was discontinued this year because of lack of equipment.

An added starter, Ewell outsprinted the newly crowned National and IC4-A champ to win with something to spare in :06.2, one second away from the world record now held by Ewell, Herb Thompson, U. S. Coast Guard, Ferrin Walker, Ben Johnson, Bill Carter and Conwell.

Johnny Dibeler, relay anchor man for Coach Harvey's indoor trackmen during the winter season, took fourth spot in the 600-yard run.

Dibeler took the lead at the gun and held it until Jim Herbert took over after the first lap with John Fulton third. With two laps to go, Fulton climbed to first, putting Dibeler back in third. Herbert just managed to nip Fulton at the tape while Jeff Kirk snatched third and Dibeler fourth.
