**WSGA Established
At College In 1915
Coed Ruling Body Now
Includes Five Divisions**

Women's Student Government Association, governing body of all women students at the College, traces its origin from a two-branch government established in the fall of 1915 to its present constitution which includes five different divisions.

Senate, highest body of WSGA, exercises the power to act on legislation brought to it by the House of Representatives or any other body of WSGA. Endeavoring to uphold its purpose "to raise the standard of living of the women of the College," Senate legislates matters pertaining to the welfare of women students with a tendency toward fewer penalties and more emphasis on guidance and counseling by fellow-students.

Composed of a senior senator, two junior senators, a sophomore senator, and a town senator, the highest body also includes as ex-official members chairman of Judicial, representative of Collegian, representative of Panhellenic Council, and an independent senator.

House of Representatives

House of Representatives, underlying body of Senate, draws a representative from each living unit of upperclass women. As a law-making body, the House legislates on all problems brought up by its members of any matters recommended by Senate. The Speaker of the House is traditionally the vice-president of WSGA. Secretary is elected from within the organization.

This second branch regularly conducts the annual Christmas Fund Drive, which is divided among Mrs. Hetzel's Fund, American Women's Hospital, and the Mifflin County Children's Aid Society.

Disobedience to WSGA rules is dealt with by the third branch, Judicial Committee. Members of this committee are appointed in their freshman year by Senate to a four-year term of office. Two members from each class are chosen.

Sponsors Exchange Dinners

Junior Service Board, fourth branch, has as its main purpose that of transfer student orientation. Recently the board has sponsored exchange dinners. Members of Junior Service Board are nominated by the preceding board, but final appointment is made by Senate. The body is composed of women students who show an ability of leadership, but who do not have too many outside activities.

Last and most recently established branch is Freshman Council. Hall presidents of coed living units automatically are elected to the council. Freshman Council explains to these first-year coeds elected to this branch what WSGA does and the decisions it makes. The council representatives in turn relate this information to their respective groups. Freshman Council was established in 1937.
