## Finish Exams, Says FAWS

have taken their mental examina- sidering it may take both physical tions and are still interested in and mental exams at 325 Market the Army Air Forces Enlisted Re- street, Harrisburg. Further inforserve Program should complete their physical examinations before Tuesday when the program closes, Prof. Robert E. Galbraith, said today.

This program is open to any male student who has not reached the age of 18.

steps toward entering the Air For- the Student Army Training Corps.

Students at the College who ces Reserve Program but are conmation is obtainable from Professor Galbraith.

Requirements for any student entering the program include an faculty advisor on war service, application signed by his parents, three letters of recommendation, and his birth certificate.

During World War I the Col-Those who have not taken any lege was used to train men in

## Degrees Awarded IMA Plans Frosh Smoker To 150 Graduates

### 90 V-12 Servicemen **Receive Certificates**

President Ralph D. Hetzel conferred degrees on more than 150 students at the College's 14th wartime commencement last week.

Approximately 116 bachelor's degrees, 25 master's degrees, and 10 doctorates were awarded to students who completed their courses in two and two-thirds years under the accelerated pro-

Sharing attention with the graduates were 90 navy-marine trainees who were presented certificates marking the completion of four semesters of college work. This is the fourth Navy V-12 group to finish training at Penn State since July, 1943.

Navy trainees will go to new assignments at a dozen different stations, while the marines will be sent to Parris Island, Camp LeJeune, and Princeton University.

The commencement brought the total wartime graduates of the College to 4,267, the large majority of whom completed their education in two and two-thirds

### Iowa State Prof Takes Poultry Husbandry Post

Dr. Arthur J. G. Maw, formerly acting head of the poultry husbandry department at Iowa State College, has been named professor of poultry husbandry at the College.

Before going to Iowa State, Dr. Maw taught at the University of University Saskatchewan, Wisconsin, and McDonald Col-

to attend a smoker to be held in tion are: president, Robert Bare-401 Old Main, 7 p. m. Thursday. The smoker, sponsored by IMA, will offer as its feature entertainment an exhibition of magic giv- treasurer, Ephraim Catsiff; social en by Dr. S. A.
