

Ship Ahoy

By A/S FRED VOGEL

This weekend again brought back a few former V-12's—gold braid and all. They were Ensigns Russ Parker and Mort Goldberg who received their commissions in the Supply Corps . . . Also in town was Midshipman Stan Wikler who'll begin at Columbia in the next class . . . The word has it that Sid Kane is waiting patiently for his commission at Northwestern . . . Many who left last semester were screened to upper levels of Engineering . . . Among them were A/S Leon Winitzky and A/S Peter Maruschak who are at Duke . . . A/S Frank Zuch and A/S "Red" Fry—at Rensselaer . . . A/S Larry Casarow at Case University. Scuttlebutt . . .

Four Southern gentlemen presently residing in the old manor house known as Barracks 20 have found the servant problem quite serious . . . As a result their mail should be forwarded to the second deck of the Navy office . . . Opera-

tions will cease—temporarily . . . A/S Ziegler is still using that old familiar "out of gas" gag . . . Who said the girls don't fall for a line? . . . A/S Art Crawl's sudden interest in the soda fountain might be attributed to the local cutie who makes the sundaes . . . A/S Bob Bulmer has taken over the kitchen at the Theta house now that A/S Matt Sczyeller has moved out . . . A/S Robert Foote is still displaying his passion for blondes . . . A/S Lee Hadlock is the guy to know—A pretty coed received from him the priceless gift of a full fresh carton of cigarettes tied up in pink ribbon.

The Good Word . . .

Cy Barabas writes that the pretty WAVES at the Philadelphia Navy hospital are making his stay there pleasant . . . That's a masterpiece of understatement . . . A/S "Red" Confer was eager to get home this past weekend . . . He saw his brother for the first time in three and a half years . . . A/S Gentry has found Penn State coeds more athletic than North Carolina girls . . . That sore ankle is the result of a kick in the shins that went astray . . . Many thanks to the girls of Jordan Hall for the swell party two weeks ago . . . Another eligible male is off the list, girls . . . It's A/S Ted DeVees—engaged to Rachael Fulton, local girl . . . He has already promised the two coeds allotted him in the 2 to 1 ration on campus.
