

## Cabinet Proposes Opening Armory For Daily Recreation

Plans are now being formulated to keep the Armory open every afternoon for recreational purposes, Cabinet Chairman Miriam Ramsey reported to the All-College Cabinet at a meeting Tuesday evening.

"Swing In" proved to be a surprising success last weekend, according to Miss Ramsey, and every effort is being made to make it an all-week affair.

Michael Lynch revealed that students have not been cooperating fully in the blood donating service. Many students signed up to give blood, but failed to take their physicals or to make the trip to Tyrone.

The State College chapter of the Red Cross has agreed to pay for all the expenses involved in the trips to Tyrone. Donations from five campus organizations have been returned.

Ruth Constad, chairman of the Student Post-War Planning Committee for the Liberal Arts School, presented five proposals for the reorganization of the School of Liberal Arts. Representatives at the meeting were supposed to take the suggestions back to their organizations and report on them.

In the most important appointment of the evening, Robert Gleichert was chosen to replace Ruth Kauffman as chairman of the Elections committee.

## Trustees Approve Engineering Prof

Lawrence Perez, a graduate of Brooklyn Polytechnic Institute, was approved as associate professor of civil engineering at the College at the annual meeting of the Board of Trustees recently.

The new professor, who will assume his duties February 1, has held various positions in the engineering field since his graduation from the Institute in 1929.

He has worked as a detailer with the Concrete Steel Company, as a consultant on materials with Stillman and VanSiclen, Inc., and most recently has been in business for himself in the firms of Brumfield and Perez and Service Steel Drum Company.

In addition, he has taught at Brooklyn Polytechnic Institute, Stevens Institute of Technology, Green Engineering Camp, and Manhattan College. He obtained his master's degree from Brooklyn Institute in 1941 and has done research work on the "Photoelastic Analysis of Stress in the Lap Plates of Fillet-Welded Joints."

## Russian Club Plans Dance

Russian Club is sponsoring an all-College informal vic-dance in the Armory, 8:30 p. m. to 12 midnight, February 3. Admission to this affair is 35 cents per person.

During intermission, members of the club will perform Russian folk songs and dances. Nadia Lulka and Kathryn Tyriw will demonstrate the "Kamarińskaia," a dance native to Ukraina while Tim Petroff and Helen Tershovska will dance the Russian "Kozackok Podilski." Two Russian melodies, "Dvie Geetaree" and "Bublitchki" will be sung by Ann Fuganich. All entertainers will be dressed in fitting Russian costumes.

Throughout the evening, Mary Barron will maintain a fortune telling booth. Dorothy Lucas, Marie Rodamsky, and Harry Stukan will serve cokes.

Social chairmen for the affair are Edward Chappen and Kuzma Leschak. Imby Erik, Olga Gosztoni, and Helen Tyriw are handling the dance's publicity.

## Dr. Fenn Will Address Sunday Chapel Service

Dr. Don Frank Fenn, rector of the Church of St. Michael and All Angels in Baltimore, will speak at chapel Sunday.

Dr. Fenn, who is a prominent preacher of the Episcopal Church, is active in social work throughout Baltimore and the state of Maryland. He came to Baltimore in 1931 after service in Colorado and Minnesota.

The choir will feature a program of special music.

McNelis, Jane Nute.

Joyce Parker, Mary Kathryn Reinhard, Eleanor Roberts, Pauline Schmitt, Nancy Sinclair, Jane Spicher, Eva Mae Winter, and Narcissis Yant.

**Kappa Delta:** Colors, green and white; pledges—

**Kappa Alpha Theta:** Colors, black and gold; pledges—

Mary Margaret Barnett, Joan Bissey, Joanne Canby, Virginia Dignan, Elizabeth Doyle, Anne Dunaway, Nan James, Mary Lou

## 'It Didn't Hurt A Bit' Say Returning Blood Donors

By AUDREY RYBACK

### Mauthe Named Head Of Red Cross Unit

Richard Mauthe was elected chairman of the Operating Committee which is head of the campus unit of the American Red Cross, at its meeting this week.

Ruth Bollinger and Jean Ford were elected vice chairmen, while Mary Margaret Dunlap was made secretary and Ann Berkthimer, treasurer.

Chairmen for the sub-committees have been chosen by the Operating Committee from the general student body. They are:

Mary Catherine Bowman, canteen corps; Paul Pioth and Dorothy Morrow, chairman and vice chairman, respectively of first aid; Sara Pollard, home nursing; Judd Healy, motor corps; Jeanne Hirt, public information; June Daniels and Patricia Enright, vice-chairman, staff assistance corps; and Betty Shenk and Walter Falkenburg, co-chairmen, war fund drive.

Headquarters for the campus unit have been established at 402 Old Main.

### Portfolio Offers Prizes For Outstanding Essays

A first prize of \$7 and a second prize of \$3 are being offered in an essay contest sponsored by the English Literature department and "Portfolio," College literary magazine.

Essays submitted are to be analyses of one of the poems from A. E. Housman's "A Shropshire Lad," and are to be based on rules and material as printed in the current issue of "Portfolio."

Judges will be Professors A. Pauline Locklin, Mason Long, and William L. Werner of the English Literature department. All entries must be limited to 500 words and should be submitted to Student Union on or before February 17.

### Pictures for LaVie

All seniors who have not been notified as to the time when they are to have their picture taken for LaVie are requested to notify Charlotte Taylor, Kappa Alpha Theta house, as soon as possible.

Busloads of College students and State College residents came back from Tyrone Tuesday, Wednesday, and Thursday feeling just as well as when they left to give blood to the Red Cross. It didn't hurt a bit, they agreed.

Upon arriving at Tyrone the donors were ushered into the basement of a church where nurses took blood tests, temperatures, and blood pressures. After these preliminaries they entered the screened-off section of the room, where the blood was given. Here the nurses efficiently performed the operation. Fifteen minutes later the patients were eating sandwiches and drinking hot coffee.

Before leaving the church each donor received a sticker stating that he had given blood. Those who had donated for the first time received bronze pins. In addition to this, printed postal cards were given to those who wished to dedicate their pint of blood to a certain man in the service.

The procedure was well organized, and most of the donors were back in State College by 3:30 p.m. The only effects felt by the majority were drowsiness and a ferocious appetite.

### Hillel Plans 'Hasidism'

#### Talk by Rabbi Tepfer

The Hillel Forum will have as its guest speaker Rabbi John Tepfer, professor of Talmud and history at the Jewish Institute of Religion, New York, 3 p.m. Sunday. He will discuss "Hasidism," a remarkable mystical movement which arose in the 18th century and won over half the Jewish masses. Its story is one of the most colorful in the history of religion.

Rabbi Tepfer, a delightful platform personality, is from England. A master of the entire Hasidic literature, he visited the existing communities of this sect in eastern Europe and Palestine where he studied their customs at first hand and was privileged to engage in intimate discussion with their most eminent leaders.
