Frosh Suffer 'Spirit Week'

Tribunal Chairman Guy Newton has outlined a busy week for his freshman charges.

The first event to tickle the freshmen palates will be a "Spirit Week." As outlined by head-hazer Newton, the purpose of this following week will be that every upperclassman stop and vigorously question each and every freshman he shall see in town or on campus.

On the heels of this, Tribunal has scheduled three compulsory freshman mass meetings at which singing shall prevail. They will be on the steps of Old Main at 1 p. m. Monday, Wednesday, and Friday.

However, all the news from Tribunal is not bad this week. The customs-watchdogs have generously given their permission for freshmen to date tomorrow after 8 p. m. at the GSO formal and at the Players show only.

Disposing of the weeks violators with ruthless efficiency Wednesday night, Newton and his crew hung signs and accompanying paraphernalia on wayward freshmen Theodore Blau, Robert Hooper, and Max Polansky.

Two freshmen, Alvin Chess and Joseph Ridley, who were summoned but did not appear at the Tribunal proceedings, "have forfeited their peace of mind and body," Newton said.

Booths may now be ordered from Lynn Robinson, chairman of the dance, by phoning either the Engineer office, 2 Armory, or Miss Robinson, second floor north, McAllister Hall.

Committee chairmen for the dance are: Marvin Breslaw, assistant co-chairman; Mary E. COLLEGE FADS AND FANCIES, CLASS OF 1850

Fads and fancies in college costumes are by no means modern phenomena. Here is a gay undergraduate of the Class of 1850. Observe his flowing collar and tie, his super expanse of Panama brim, and his studied air of nonchalance.

This was in 1850, when America was basking in peace. The Golden West was opening up, and Express Service was keeping pace. Today, there are few fads and fancies on the college camp. They have given place to the uniformity and efficiencies of war time. Thousands of students are concentrated on the needs of the nation in arms.

Railway Express is devoting its nationwide services, both rail and air, primarily to speeding war material. To help all concerned, you can do three simple things with your 1945 home packages and baggage: Pack securely—address clearly and adequately—avoid abbreviating state names.
