

## BWOC's To Attend Dinner

Because of their contributions to campus activities, approximately 175 coeds are invited to Theta Sigma Phi's formal Matrix Dinner at the Hotel State College 6:30 p. m. May 17, Nancy Carastro, president of the national journalism honorary announced.

Stressing the fact that invitation to attend the affair is recognition of leadership, Miss Carastro stated that coeds who are to attend will receive formal announcements early next week. Other guests will include Mrs. Ralph D. Hetzel, Dean of Women Charlotte E. Ray, and other prominent faculty women.

As in former years, the honorary will present as guest speaker a woman renowned in journalistic circles. This year's guest is Mrs. Florence Fisher Parry, columnist for the Pittsburgh Press.

Other entertainment will be a skit, presented by members of Theta Sigma Phi, and the awarding of the honorary titles Quill Girl, Matrix Girl and Cap Girls to three coeds.

Matrix Girl is chosen by the chapter on the basis of outstanding contribution to the College; Cap Girl, also picked by Theta Sigs, for versatility; and Quill Girl, voted upon by coeds as the most popular woman on campus.

Nominees for Quill Girl have been submitted by Independent Women's Association, Girls' Service Organization, Cwens, Junior Service Board, and Mortar Board.

Committees for the dinner are: Lucille Rosenbloom and Jeanne Thompson, Invitations; Audrey Ryback and Patricia Turk, arrangements; Jean Bosch and Gertrude Lawatsch, entertainment; Phyllis Wolfgang, decorations.

## Senate Approves Changes

Mary Margaret Dunlap, WSGA president, reviewed before Senate the proposed changes in the constitution of All-College Cabinet. After a discussion of the revisions, Senate unanimously approved them.

The issue of selection of Judicial members was thoroughly discussed. Judicial members are now chosen by WSGA with nominations from the floor requiring Senate's approval. These appointees remain in office for the rest of their college careers.

Jeanne Weaver, Panhel president, formulated a plan which calls for a Judicial nominating committee to be composed of representatives of Cabinet, Miss Charlotte E. Ray and Dean Arthur Warnock. Judicial members would hold office for only two semesters and would be elected in alternate semesters. However, a member could succeed herself.

In an attempt to coordinate Judicial and Tribunal, a Senior Board will be set up composed of Judicial and Tribunal chairmen and the deans of men and women. The proposed board will draw up rules affecting both men and women.

A suggestion presented to Cabinet, that a nominating committee which has the right of rejecting a nominee from the floor is constitutionally undemocratic, was considered. WSGA felt that the committee was not fundamentally undemocratic, and that another plan might be dangerous.
