

# Lions Down Mules 15-4, Face Pitt And Bucknell

Downing Muhlenberg, 15-4, in a game filled with errors of omission and commission, the Nittany Lion baseball team will face a strong Pitt squad on New Beaver Field at 2:30 p.m. Saturday. Coach Joe Bedenk's ball club will travel to Bucknell University Wednesday for its fourth encounter of the season.

After dropping the opening tilt to an undefeated U. S. Naval Academy nine, 11-6, Saturday, Coach Bedenk brought Joe Tepsic in from left field to cover third base and put Joe Leith in center field. Elwood Stetler was sent to left field while Bill Luther took over the pitching chores for the Muhlenberg game, replacing Bill Hill.

The mentor said he will probably use this same starting lineup against Pitt since the players show more teamwork in these positions.

McHale replaced Bob Hicks on first base and Larry Williams took over veteran Glenn Smith's position in right field.

Luther held the Mules to 9 hits while his opponents, Rinck and Callahan, gave up 4 and 8 respectively in Wednesday's tilt.

## Mules Score First

Muhlenberg opened the scoring in the second inning when Shortstop Herman was safe on first base on a hit and came home on two errors and a fly.

The Lions forged into a lead which they never lost when they tallied six runs in the third canto. Rinck walked Les Jacobs who stole second and third and came home on an error to score State's first run of the game. Andy Delarenzo stole home after he walked to first, made second on Stetler's hit and third on Tepsic's out.

Stetler took second when Delarenzo came home and third when Rinck walked Leith. Going to second base when Stetler scored, Leith took third on an overthrow and came home on a single by Williams. McHale's two-bagger brought in Williams who scored the sixth run of the inning.

The opponents scored a lone run in the fourth and two in the eighth frame while the Lions tallied one in the fourth, another in the fifth and sixth, two in the seventh, and four in the eighth innings.

## Team Nets 1 Relay Point

Outclassed by star-studded military, college and athletic association teams, the Penn State track team had to be satisfied with one fifth place in the javelin throw for its efforts of last Friday and Saturday at the Penn Relays.

Floyd Lang threw the javelin 178 and 34 feet for Penn State's single place in the meet. His teammate Dino Taccalozzi, hurled the javelin 160 feet.

Chuck Willing tied with several other pole vaulters for fifth place in that event with a jump of 12 feet.

The sprint medley team, composed of Francis Martin, Harold Dixon, Mel Chelosky, and Ernie Nugent.

## 'Vets Will Need Phys Ed'--Schott

A comprehensive physical education program was proposed today as an aid for war-battered veterans seeking to readjust to civilian life.

"Nothing can do more than participation in sports and recreational activities to increase a veteran's self-confidence and make a wounded man feel he's fitting in," declared Dr. Carl P. Schott, dean of the School of Physical Education at the College.

Dr. Schott said interest in a sports activity would serve as "a kind of therapy—contributing to the veteran's philosophy and outlook on life."

He believes the direction of such a program should be placed in the hands of a man who has had a military and, if possible, overseas experience—"someone who can talk the veteran's language," he added.

Every veteran, he concluded, should be given a thorough physical examination and an individual interview to determine the activity best suited to his needs and ability.

The Rec Hall varsity locker room scale has been used over 40,000 times.

## Lacrossemen Face Cadets

With the confidence and experience that competition has brought, the Nittany Lion lacrosse team will oppose the U. S. Military Academy, last year's national champions, at West Point tomorrow.

In its first test of the season last Saturday, the Lions bowed to a strong Navy team which included 13 returning veterans, 20-0. The Middies, Coach Thiel said, proved the superior team because of their more experienced stick handlers.

"Our boys," the mentor added, "gave a good account of themselves considering conditions. Nolan was outstanding for an inexperienced man, and Kissell, Snyder, and Kosanovich also showed up well." Coach Thiel pressed into service 30 out of the 36 players.

Approximately 20 men will make the trip to West Point. The starting lineup for the game will remain the same, announced Coach Thiel today, except that Navy trainee George Meeker will replace John Nehoda at the net position, and Dean Kissell will be one of the inside defensemen. The rest of the lineup includes letterman Tom Smith, Jim Wor-

## Combat wire moving up in a hurry!

Every unit ties in by telephone to report on contact between companies, and to discuss the next move.

That means combat telephone wires must be laid down with every forward push. And communications crews must work continuously repairing the breaks in lines torn by tanks and amphibians and blasted by artillery and mortars.

Our Armed Forces still have urgent need for huge quantities of communications equipment of all kinds. That's why there is a wait for home telephone service.
