Kahn Resumes Duties **As Director Of Hillel**

Rabbi Benjamin Kahn, director of the Hillel Foundation at the College, has returned to his post after a year's absence during which he directed a new Foundation at McGill University in Montreal, Can.

Rabbi Kahn left State College in September, 1944, to establish, at the invitation of the National Hillel Commission, a Hillel unit at McGill. This unit is the first to be established in eastern Canada, and came into being with the endorsement of the university administration and interdenominational student organizations.

During Rabbi Kahn's absence the Foundation in State College was under the directorship of Rabbi Victor Eppstein, who is now director of Hillel at the City College of New York.

Dear Editor:

given in last week's Collegian can give no adequate recognition to her twenty-five years of service at the College and to libraries of Pennsylvania.

Much of her work at the College was of an instructional nature. She taught the use of the Library to freshmen. She gave an elective course in reference work 1511 (alls in August semi-annually. Last summer she cheerfully accepted a reference course at the Summer Library School at a critical time for that more about the Library and its history than anyone else, and many a college student and fac ulty member had cause to be grateful. She gave many more hours than she should to finding

Placement

PRR Offers Jobs

According to George N. Leetch, director of the College Placement Service, the Pennsylvania Railroad has a few opportunities for women graduates, especially in Washington, D. C. There will be no new training program immediately, and a representative of the company does not plan to visit the campus to conduct interviews. Interested October graduates may make application through the Placement Service, 204 Old Main.

There are also opportunities for men graduates for cadet positions in the passenger division of the company. These are training positions which are intended to lead to future jobs of responsibility, stated Mr. Leetch. Application should be made through the College Placement Service.

College Seismograph Notes 3 Earthquakes

Two earthquakes were recorded over the weekend by the seismograph at the College Weather Bureau, Dr. Hans Neuberger, chief meteorologist, reported.

The record of the first earth-quake started at 7:06 p.m. Satur-day and lasted until after 8:30 p m. It was a moderate to strong earthquake and the distance was esti-mated at approximately 10,000 miles away, possibly in the Su-matra area, Dr. Neuberger said.

The second incident started at 8:06 a.m. Sunday and lasted until 8:211/2 a.m. This earthquake had a distinction of deep-seated origin,

and was estimated to be about 5,500 miles away, he said.

Another earthquake was recorded on the seismograph at the College Wednesday, Dr. Neuberger reported today. Wednesday's quake made a total of eight recorded on the seismograph since corded on the seismograph since August 21, Dr. Neuberger said.

The disturbance received Wednesday started at 6:10 p.m. and lasted until 7:30 p.m. It was moderate in intensity and the distance was estimated at about 7,-000 miles away. Dr. Neuberger said no guess of the probable lo-
