

# The Collegian

PUBLISHED SEMI-WEEKLY BY THE COLLEGIAN STAFF

VOL. 42—No. 50

TUESDAY MORNING, JANUARY 15, 1946—STATE COLLEGE, PA.

PRICE FIVE CENTS

## Cabinet Plans Bulletin Board

Terminating more than a semester's work, All-College Cabinet voted at their last meeting to erect a bulletin board on the Schwab auditorium lawn. Plans for the bulletin board, drawn up by Eugene Fulmer and Thomas Lannen, were also accepted. George Donovan, manager of Student Union, offered to take care of posting notices on the board.

Grounds and buildings department will flood the tennis courts on Curtin Road for ice skating, as soon as the weather permits, according to Robert Russell's report to Cabinet.

Van Lundy, all-college president, appointed a committee of Jane Healy, Lawrence Foster, and George Sample to obtain student ideas for the proposed Student Union building.

Suggestions made at class meetings were also discussed by Cabinet. Fred Ernst, fourth semester president, was appointed to investigate the possibilities of bus service to the Ski Lodge where many of the class parties will be held. Jim Sheehan, sixth semester president, was asked to see James Smith, executive secretary of PSCA, about Sunday afternoon movies on campus.

Charles Hill, first semester president, was selected to see Joseph Steel, chairman of the committee working on the book exchange, on the possibilities of opening such an exchange. Hill will also correspond with other colleges that operate book exchanges. David Lundy, seventh semester head, was asked to inquire into the possibilities of having a new student directory published.

On the suggestion that students should have mail delivery on Saturdays and Sundays, Lundy appointed the following to see the postmaster about getting weekend deliveries to their respective groups: Libby Doyle, Atherton Hall; Jean Hirt, sororities; Priscilla Wagner, Woman's Building and Eugene Fulmer, independent men.

Following a discussion on the shortage of rooms for the Winter Fantasy weekend, February 8, James Sheehan was asked to get the number of men the barracks could house. Frank Schneider will report on the fraternity housing.

The Liberal Arts Postwar Planning committee approved by Cabinet includes Fred Kecker, chairman; Mary Jane Doerner, Ted Harmatz, Ernest Nagy, Terry Powell, and Mervyn Will.

Cabinet opened a discussion on revisions for the all-college constitution to the yearly rather than the semesterly basis, but no action was taken. All class secretaries attended this meeting on the request of Cabinet.

## Trailer Campers Now Live In Windcrest; Name Streets For Vets

That's the name of the trailer community on east campus.

The community name was chosen at a town meeting Friday night. Four College alumni, heroes who lost their lives in World War II, were honored in the selection of names for the streets of Windcrest.

They are Major George F. Fisher, of Brooklyn, N. Y., class of 1927; Lieutenant Charles Reiter, of Brooklyn, N. Y., class of 1933; Lieutenant W. Garfield Thomas, of Colver, class of 1938; and 1st Lieutenant H. Edward Wagner, of Harrisburg, class of 1941. The streets will be known as Fisher Drive, Reiter Drive, Thomas Drive, and Wagner Drive.

Arrangements have been made for mail deliveries to the homes in Windcrest. Burgess William F. Oskay, Jr., announced. Residents will include their trailer number, street, and "Windcrest" as well as State College, Pa., in their new address. Mail presently is received through General Delivery.

A seventh borough council member, Edward Pappert, was elected at the meeting. He is a fourth semester student studying commerce and finance and is a veteran of three years of service as a pilot in the Navy. He served ten months in the Pacific aboard the Essex and won the Distinguished Flying Cross, the Silver Star, and the Air Medal with six gold stars.

## WSGA Drive Meets Goal

A check for \$137.50 has been sent to four worthy projects as the result of the women students' Christmas Fund drive at the College. The annual campaign, conducted by WSGA, this year surpassed all previous drives, reaching a goal of \$550.

Donations went to the United China Relief, the American Women's Hospitals, the Mifflin County Child Welfare Services, and the Estelle Hetzel Emergency Fund. Each check represented one-fourth of the total amount collected.

Janet Taylor, student chairman, wishes to thank all who so kindly helped with the drive.

## German Club

meeting to be conducted entirely in German will be held in 305 Old Main, 6:45 p. m. tomorrow. All students interested in obtaining practice in speaking German are invited to attend.

## Fraternity Counselors Discuss Building, Pledging

The building of the proposed additional dormitories for the housing of freshman men, and the resultant fraternity pledging from the sophomore class will be the main topics for consideration at tonight's meeting of the Association of Fraternity Counselors in 110 Home Economics at 7:15, announced Hugh R. Riley, secretary.

The fraternity counselors are alumni chosen and approved by the chapter and alumni groups to work in cooperation with the Interfraternity Council and the College administration. Tonight the group will also consider the overall fraternity situation on campus and the fraternity outlook for the spring semester. By bringing ideas into the open, the counselors hope to enable the College to act on the dormitory plan with a knowledge of the opinions of the counselors. Arthur R. Warnock, dean of men, is the main speaker for the meeting.

## Davis Explains AFC

Dr. A. F. Davis, president of the association, explained the workings of the AFC as a democratic process of thinking together for saner and sounder counseling for better individual and collective

fraternity interests." Dr. Davis said further, "The group is not a dictating organ, but its purpose is simply to advise and counsel."

The advantages and disadvantages of the housemother plan will be included in a report by Charles Schl-w, chairman of the committee investigating the proposal. An extension of a centralized buying and dining room management now used by six or eight of the fraternities will also be discussed with F. F. Morris, chairman of this committee, reporting.

## Rifle Club

will meet in 415 Old Main, 7:30 tomorrow night. All those who are interested whether experienced or not are invited to attend.

# Collegian Sets \$1000 Goal For Paralysis Campaign

## Franklin D. Roosevelt

## Sponsor Offers Prizes Of Free Subscriptions

With a goal of \$1,000, the annual Infantile Paralysis "March of Dimes" campaign will be launched on campus today. Lt. Edward Blackburn Jr. post officer of the ROTC, is chairman of the drive, which is being sponsored by the Collegian.

Containers for donations to the drive, will be placed at Student Union, dormitories, town houses, and various restaurants and business establishments in town. These containers were donated by McLanahan's drug store and the Corner Room. Group solicitations will be made in fraternity and sorority houses. Weekly totals of the money collected will be published in the Tuesday editions of Collegian.

As added incentive to the student body, any person who collects a total of \$10 for the "March of Dimes" will be awarded a year's free mail subscription to the Collegian. Group contributions will not be considered for the award.

The national "March of Dimes" campaign was started shortly after the late Franklin D. Roosevelt was elected President of the United States. Stricken with infantile paralysis himself, the former president realized the importance of controlling and curing this scourge of America's youth.

The national foundation for poliomyelitis is making rapid strides in its research program. A great deal of work was done in this field during the war. But today, more than ever, money in the form of contributions is needed to carry on this program.

## 'Ike' Gilbert Leads County Over Top In War Loans

One of the most valuable men to the United States Treasury Department during the war years was Harold R. "Ike" Gilbert, assistant to the graduate manager of athletics, and the State College War Finance Committee Chairman.

Mr. Gilbert was selected for this job early in 1942. At that time every government agency was being organized to expedite the war effort and this assignment appealed to him. "There was everything pleasant about the job," he added. "I got to know many people throughout the district and county and found out the meaning of real cooperation."

"We didn't depend on the students at the College to take a real active part in the drives because they are not self-supporting. But, Mr. Gilbert continued, "they were a big help in furthering sales through their organizations. Funds of various student activities, fraternities, sororities, clubs and honorary groups, were eagerly put in bonds. Trust funds of classes, held by the Alumni Association, were also invested. Numerous dances and social affairs also stimulated the sale of war stamps. Students also helped to man bond and stamp booths erected on campus and in the borough.

Mr. Gilbert continued, "they were a big help in furthering sales through their organizations. Funds of various student activities, fraternities, sororities, clubs and honorary groups, were eagerly put in bonds. Trust funds of classes, held by the Alumni Association, were also invested. Numerous dances and social affairs also stimulated the sale of war stamps. Students also helped to man bond and stamp booths erected on campus and in the borough.

State College not only met its quotas every time, but also went over the top. Only in the 5th drive did the town fail to meet (Continued on page four)

## Industrial Relations

debate, sponsored by the Community Forum, with Clinton Golden of the United Steel Workers of America and W. L. Batt, president of SKF industries, originally scheduled for Thursday has been postponed. James T. Smith, chairman of the Forum committee, announced that the debate will be presented as soon as the present industrial crisis permits the speakers to come to the College.

## Hillel Presents Movie Forums

The first of a series of three movie forums will be presented at the Hillel Foundation, 133 W. Beaver avenue at 7:30 p. m. Wednesday. The program will include two documentary films and an intermission talk by Dr. Walter Coufu, associate professor of sociology, and is open to the public without charge.

The first motion picture is "The City", called "one of America's greatest documentary films." The topic is city planning and its problems. The commentary is by Lewis Mumford and the musical score is by Aaron Copland.

The second film is "Children of the City", a movie produced by the British Ministry of Information. The subject of this picture is juvenile delinquency originating from overcrowding and slums.

Two more forums will be presented on succeeding Wednesday nights, at which documentary films on problems facing America at peace will be shown. A member of the faculty will speak at each on the subject of the evening's program.

## Arnold To Open Series Of Wednesday Readings

Dr. H. H. Arnold, professor of Spanish, will open the 14th series of Wednesday Readings at 4:15 o'clock tomorrow in 402, Central Library.

Readings selected by Dr. Arnold and the nationalities of each author follow: "The Roan Colt" by Benito Lynch (Argentina); "Bronco Buster" by Javier de Viana (Uruguay); "The Alcalde's Ears" by Ricardo Palma (Peru); "The Broken Tooth" by Emilio Coll (Venezuel); and "The Deserted" by Rafael Delgado (Mexico).

The theme of this year's readings, "Short Stories from Our Good Neighbors," was selected in the belief that a glimpse of the people of Latin-America through their literature will result in a better understanding and knowledge of these countries.

## Cosmopolitan Club

will elect officers at its meeting at Dr. Robert E. Denger's home, 210 S. Gill street, at 8 p. m. Thursday. A social hour will be held and refreshments will be served.
