

Veterans' Children Study Too; Nursery School First Step

Ex-servicemen's wives have found a nursery school for their children. Mrs. Donald Carruthers, wife of the director of Westminster Foundation is the founder of the school.

Asked about the progress of the school, Mrs. Carruthers said that she was "very pleased." The enrollment has now reached 15, almost all being children of veterans attending the college. The ages of the children run from two to four years.

School Head Named

The school is established in the primary and nursery rooms of the Presbyterian Church. Mrs. Walter Troll, a graduate kindergarten teacher, is the director. She is assisted by several coeds who are majoring in child development at the College. Dr. Winona Morgan of the College Nursery School serves in an advisory capacity.

A typical day's program of the two to four year olds who come Tuesday, Wednesday, and Thursday mornings includes health supervision each morning. The story hour is a favorite time for the children. Cod-liver oil and crackers are provided for the mid-morning rest. The parents call for their child about noon-time.

The school was started early last fall and is sponsored by the American Association of University Women. The funds for its upkeep are provided by contributions from various groups of the community. These are the American Legion and Auxiliary, Veterans of Foreign Wars and its Auxiliary, the College, Welfare Fund and the Women's Society of Christian Service.

Others Aid

Additional contributors include Altar Society of Our Lady of Victory Church, two Methodist Church circles, Avoda, auxiliary to the Hillel Foundation, Evangelical Sunday School class, Faith Reformed Sunday School class, Bellefonte chapter of the Daughters of the American Revolution, AAUW, Centre Hills Country Club, and a personal contribution from Mrs. Robert Foster.

With the arrival of more veterans on campus, there will be a need for a larger nursery school. However, Mrs. Carruthers feels confident that the school will continue to progress satisfactorily and hopes to be able to accommodate all the children of the veterans at school.

BIRTHDAYS of all the children attending Nursery School are observed, in keeping with the spirit of the school, which was established to give mothers and fathers living in the trailer some freedom from care and worry. Children left to right are: Jimmy Nemeth, Frederick Stauffer, Carole Ann Oskay, Janice Brown, and Ruth Ann Campbell.

A meeting for all intra-mural managers will be held in the WRA Room at 4:15 p. m. Monday. Attendance is compulsory. Intra-mural bowling will start Tuesday. Bowling Club

The Women's Bowling Club has begun its Wednesday night practicing in preparation for the intercollegiate Telegraphic Meets scheduled for the third week in February.

As Penn State was not outstanding in the December meet and is striving for a better rating in the coming tournament, the club will welcome the participation of experienced bowlers on campus and announces that club membership is still open to all interested.

Officers for this semester are: Peggy Nichols, president; Betty Williams, assistant president; Ruth Gilmore, secretary; Frances Keeney, publicity chairman.

Dean Ray Lists Scholarships

"Good scholastic record, an active interest in and participation in College activities, and a real effort for self-support are three qualifications that girls should have for application for most of the scholarships," said Charlotte A. Ray, dean of women, in referring to the many aids given to students at the College.

Outstanding of the general scholarships available to women are \$90 scholarships in Home Economics of the State Federation of Pennsylvania Women, Cwen scholarship for sophomore women, Mortar Board scholarships for senior women, and City Panhellenic scholarships to a woman who has shown especial industry in self-support. Numerous scholarships are also awarded to students from specific counties in the state, students in agriculture, journalism, and other special curricula. Competitive examinations determine the winners of the scholarships given annually by each county, while each state senator awards three \$50 scholarships each year.

Miss Ray pointed out that several alumnae clubs in the state have established scholarship and loan funds of approximately \$50 for girls in the locality of the clubs. Other awards include money prizes and medals presented as memorials and by honorary societies.

Panhellenic Council

... council at its meeting Tuesday, changed the date of the second sorority rushing open-house. The open houses will now be held February 2 and 16. This group will sponsor fortune telling at the Old Main open-house February 2.
