Letter Of Protest Brings Opening Of White Hall

White Hall will be open from 9 to 12 o'clock tomorrow night for mixed recreation as a result of a letter from the five major women's organizations on campus to Dr. Carl P. Schott, dean of the School of Physical Education.

The letter urged that the facilities of White Hall, women's recreation building, be utilized as a means of answering the students' need for regular Saturday night entertainment.

While the letter urged that the present Dry Dock committee be used to promote the project, the School of Physical Education said that it would be only too willing to accept the responsibility of sponsoring programs in White Hall.

Ray Conger, assistant professor of physical education, will direct the program. He said that he is willing to work with any women's group in providing the type of entertainment and programs that students want.

For the many students not attending fraternity house parties this weekend, White Hall will be open.

There will be dancing in the main gym to recorded music and provisions have been made by Professor Conger to have several

other rooms open. The game room will feature ping pong, bridge games, checkers, miniature bowling and soccer while 105 has been set aside for refreshments and smoking. Fire regulations prohibit smoking in other parts of White Hall.

Arrangements have been made for coat checking in rooms 2 and 3. Professor Conger requests that all students attending enter White Hall through the South doors, which are on the Atherton Hall side of the building.

Admission will be 25 cents plus tax with proceeds going to a fund to provide for student recreational activities.

1200 Couples Expected To Attend Winter Fantasy, First Postwar Ball

More than 1200 couples are expected to attend the Winter Fantasy in Recreation Hall from 9 to 1 o'clock tonight as Charlie Spivak, "the man who plays the sweetest trumpet in the world," and his orchestra play for the first postwar semi-formal ball at the College.

Anticipating a sell-out, Vaughn Stapleton, chairman of the dance, asks that students purchase tickets as soon as possible today at the Athletic Office in Old Main to forestall waiting in line at Recreation Hall tonight.

Tickets will be on sale for \$4.20 at the Athletic Office until 5 o'clock, Stapleton said today.

Spivak is making his first appearance at the College since 1943 when he played at the Sophomore Hop.

During intermission, announcement of the Winter Fantasy Queen and her court will be made, Albert Green, chairman of the Selections committee, said. The announcement will be made by Spivak if possible. Bill McMullen, State College florist, has donated a presentation bouquet and

a crown of carnations for the queen.

Voting for Winter Fantasy Queen will be held today at Student Union desk upon presentation of matriculation cards. Counting of ballots will be held after 5 p.m. The time and place will be posted at the Student Union desk by Green.

Pictures of the five finalists are now on display in the Athletic Store window so that voters may make their selection in advance.

The five finalists are Florence Brown, Marilyn Globisch, Eleanor Roberts, Mary Frances Whelan and Barbara Wilson.

The refreshment committee has arranged for the serving of punch and cookies, Stapleton said.
