Red Cross Launches Drive; Sponsors Informal Dance

The quota for the 1946 Red Cross campaign now underway on campus is \$1200, announced Carol Dieckmann and Jinx Falkenburg, co-chairmen of the Red Cross Fund Drive. Rosemary Genetti will be donations chairman, replacing Anne Berkheimer. Publicity chairman is Nancy Musser, while Stanley Ziff heads the organization committee. Rita Grossman is

collections chairman for the unit, which has announced that the deadline is March 20.

The College unit is sponsoring an informal dance at Recreation Hall Saturday, March 30, proceeds from which will go to the Red Cross. Dick Berge and his orchestra will provide the music, with tickets selling at \$1.25 per couple. James McLoughlin is chairman of the dance committee, with Kay Rider and Burton Tysinger as committee members.

Last year's campaign was the first one of its kind on the Penn State campus. Usually conducted by town units, the campaign was successfully managed by the students with a total of \$2,600 collected. This surpassed the quota which was set at \$2,000, and for the drive the college unit of the Red Cross received a national citation.

Section leaders have been appointed to contact all students on campus. Leaders of the men students, headed by Jinx Falkenburg are William Brooks, Eugene Bobby, Suzanne Caveny, John Evans. Carol Dieckmann heads the following section leaders for women: Polly Boyd, Jeanne Bosch, Frances Glass, Nan James, Ina Rosen, and Patricia Trester.

All campus organizations, fraternities, and sororities will be contacted and lists of their contributions will be published in Collegian at the conclusion of the drive. Deadline for sorority and fraternity contributions is Tuesday, March 19.

The proceeds of this drive will go to the National Red Cross, and will aid in reconstruction in foreign countries, raising the morale of our occupation forces in Japan and Germany, and helping disabled veterans to recuperate in Army hospitals.

Chairman of the entire Red Cross College Unit is Anne Berkheimer vice-chairmen, Jeanne Hirt and Mike Rosenberger; secretary, Carol Dieckmann; finance chairman, Phyllis Reigel.

Charles Appleman, chairman of Election Committee, announced today that Cabinet has approved the suggestion that voting days be moved back a week to March 26-27. This change was made because of the revision in the semester schedule and in order to allow the cliques an extra week for campaigning.

Running mate for Stapleton will be Becky Walker, Nittany nominee for All-College secretary, and opposing her will be June First, Key party's choice for secretary.

Candidates for the eighth semester presidency are Bob Burge, Nittany-Independent and Joe Steel, Key; Marilyn Globisch, Nittany-Independent and Jean Bosch, Key, will vie for the secretary post.

The Election Committee, in approving a number of changes, has decreed that the amount spent for publicity purposes may be raised from \$25 to \$50. Another drastic change that marks a return to pre-war political campaigns is the permission to use public address systems for one day in their campaigns. The Committee also stated that it shall be a violation of the election code for a clique to publish a list of activities in which the candidate is not a participant.

Members of the Election Committee are Charles Appleman, Woodene Bell, Jack Brannigan, James Chaiken, Rosemary Ghanous, Charles Hurd, Herb Mendt, Clyde Metzger, James Paine, Julia Patewka, Bob Spinnenweber, and Ruth Wilson.

Trustees Start Plans for SU

The initial signs of action on the part of the Board of Trustees concerning the proposed Student Union building came recently when a committee composed of five members of the Board of Trustees and four representatives from the Alumni Association was formed.

The committee was appointed by the Trustees for the purpose of planning and promoting a fundraising campaign for the construction of certain buildings not designed to accommodate the academic program.

It was suggested that this group include such buildings as a Chapel, a Student Union building and a field house.

The committeemen are: G. H. Deike, chairman; E. C. Weichel, H. J. Lamade, J. L. Krall, and G. M. Arisman, representing the Board of Trustees; B. C. Jones, R. G. Lowe, W. K. Ulerich, and E. K. Hibshman, members of the Alumni Association.

The Student Union Building project has been promoted during the past semester by both the All-College Cabinet and the Collegian. WSGA showed their interest in the program by donating the proceeds of their dance, March 9, to the Student Union Campaign.

Nora Wain To Speak At Forum

Nora Wain

Nora Wain, author of the best-seller, "Reaching for the Stars," will describe the German people in defeat at the season's third Community Forum lecture in

Schwab Auditorium at 8:15 p.m. Monday.

Miss Wain will be entertained by the local chapter and alumnae of her sorority, Kappa Kappa Gamma, during her visit here. She administered the Kappa Kappa Gamma Nora Wain Relief Fund during her recent tour of Europe as a correspondent.

Born in Grampian, near Clearfield, the speaker is a graduate of Swarthmore College and has a brother who attended Penn State. She is the wife of George Edward Osland-Hill, former British consular official.

In "Reaching for the Stars," which was written in Germany from 1937 to 1940, she described the effect of Nazism on the nation's domestic life. The only three existing manuscripts of the book were seized in the mail by the Nazis and the entire book had to be rewritten from notes after the author returned to England.

During the war Miss Wain op-

ened her home in Buckinghamshire, England, to small refugees from the blitz and later took in child refugees from Norway and Czechoslovakia. She disbursed the funds of the Kappa Kappa Gamma fund, set up in 1940, and is now contributing the entire proceeds of her 90 current lectures to the fund.

Many of the German people about whom Miss Wain wrote "Reaching For The Stars" will appear again in her forthcoming book, the manuscript of which she has brought from Europe.

Single admission tickets will be on sale at the auditorium before the lecture for 50 cents, and series tickets may be purchased at Student Union, for \$1.75. The remaining numbers are lectures by Dr. Charles S. Johnson and Frank Lloyd Wright, and an industrial debate.

Miss Wain's talk will be broadcast over station WMAJ.
