

## Players Cast Minor Roles

Casting of additional roles for the Players' production of Macbeth has been completed according to Prof. Frank Neusbaum, director.

These roles will be played by Henri Groenbeim (Fleance), Joseph Kelly (Seyton), Harry Kohn (Messenger), Harry Natschke (Old Man), Samuel Neely (Soldier, Third Banquo murderer), Joseph O'Tousa (Soldier), Sanford Oxman (Caitness), George Rhoad (Young servant), Gabriel Roth (Messenger, Attendant, First Lady Macduff murderer) and Stanton Rolfs (Young Siward, Second Banquo murderer).

Jack Seitchik is taking over the part of Macbeth and Elizabeth Walts is playing the role of Gentlewoman.

A new member of the cast is John Farris, who will play the small son of Lady Macduff. Johnny, an eight year old third grade student who lives in Lemont, has already proved himself a troupier by learning his lines in two days, according to Professor Neusbaum.

Heading the cast of the play, to be presented on April 26 and 27, are Richard Frontman (Macbeth) and Verna Sevast (Lady Macbeth). Frontman has played five roles with the Players, his latest being Slugg in "The Curse of Gold." Miss Sevast, veteran of 25 Players' productions, was last seen as Madame Arcati in "Blithe Spirit." Approximately half of the cast are ex-servicemen.

## Future Farmers Club Broadcasts Banquet

Future Farmers of America took to the air over WMAJ on Wednesday night as they broadcast part of the program of their annual banquet held in the State College Hotel. Rudolph Brannaka, recently-elected president of the organization, served as toastmaster for the banquet-broadcast.

Dean Lyman E. Jackson of the School of Agriculture spoke on the topic "Rural Leadership Through Personality" and discussed how a student might develop a good personality.

Other speakers on the program were Max McMillen, Robert Smith, and Charles Staffer, undergraduate members of the club.

Another part of the banquet was devoted to group singing by the 43 FFA members and their 6 guests.

## Chess Teams

will be formed at the regular meeting of the Chess Club at 305 Old Main, 7:30 tonight, Eugene Janiczek, president, announced.

There will be instructions for beginners and all new members are welcome. Everyone is asked to bring his own chess set, if possible.

## PSCA To Show Sea Thriller

All students from the third semester through the eighth are invited to see the film, "Mutiny on the Bounty," at a meeting of the PSCA Upper-Class Club in 304 Old Main at 7 p. m. Thursday.

Officers for the club will be elected and committees appointed. Nominations for president are Warren DuBois, Peggy Paxton, and Michael Rosenberger; vice-president, Donald Brutout, and Mary Lou Elder, and secretary-treasurer, Vickey Gillespie, Renabelle Grube, Donald Widdowson, and Joan Wolfe.

Commission IV held a meeting Thursday to explain the functions of the committees and make plans for the semester. Committees operating this Spring include rural recreation, Girl Scout volunteers, trailer baby-sitters, shut-in work, summer service work, and packages for overseas.

The next meeting of the commission will be held at 304 Old Main at 6:20 p. m. tonight. All students interested in social service work are invited to attend and join committees.

## Windcrest Votes Today

Elections for offices in the Windcrest borough government will be held in the trailer camp's central laundry from 1 p. m. to 6 p. m. today. Running for burgess are Stanley Gross, Raymond Lee, Robert Reuter and Mary Sparks. Members of the borough council will also be elected at this time.

Nominations were made at a meeting held in the central laundry Thursday evening, at which time a minimum of two persons from each of the trailer community's seven zones was nominated for borough council in addition to those named for burgess.

The elections will be conducted by the secret ballot method, with each elector casting eight votes—one for burgess, and one for a council member from each of the seven zones. An elections committee of ten members will preside over the voting and count the votes. When the newly elected council takes office Friday, its members will choose a president and a secretary from among themselves.

At Thursday's meeting, it was announced that the Grounds and Buildings Department will install pumps in trailers picked at random from the different areas of the group in order to determine whether they would be practical for sink drainage. Suggestions were also made at the meeting for a party, picnic, or weiner roast to be held sometime this spring for residents of Windcrest.

## Undergraduate Centers Register 701 Students

A total of 701 students including 470 veterans have enrolled at the four undergraduate centers for the spring semester, David B. Pugh, supervisor of the undergraduate centers, announced.

This enrollment is two and a third times as large as it was last year. Mr. Pugh predicts that the enrollment next fall may reach as high as 1100.

The large registration has necessitated the addition of 26 teachers and 5 office workers to the staff. Mr. Pugh pointed out that the College had 59 members on its faculty in 1902, 47 years after it was established, while the undergraduate centers with a staff of 51 were not started until 1924. This indicates their tremendous growth.

Enrollment at the four centers includes: Altoona, 271; DuBois, 105; Hazelton, 169; Pottsville, 156.

## Dr. Whitaker To Lecture

Dr. Elliot L. Whitaker, associate professor of architecture and chairman of the committee on administration of the department of architecture will discuss "Post-War Houses" in 121 Sparks at 8 p. m. tonight.

Presented as the third speaker of the Liberal Arts Lecture Course, Dr. Whitaker will compare the pre-war house with the houses that are being built now, with regard to cost, appearance, size, arrangements and conveniences.

Dr. Whitaker plans to supplement his talk with slides showing the latest labor-saving devices, explaining which of the new "gadgets" are worthwhile. He will also describe what the prospective home-builder may expect to receive for his money.

Co-author of a book on the same subject, Dr. Whitaker has been lecturing on housing problems throughout the state. He will be introduced by Dr. Harry L. Krall, associate professor of mathematics, chairman for the evening.

The talk is open to students, faculty and townspeople. No admission fee is charged.
