## Trailer Council Elects Locke

William Locke was elected president of the newly-elected Windcrest borough council at its organization meeting Friday night, while Mrs. H. D. Beaver and Mrs. Marian Thomas were elected to the posts of secretary and treasurer, respectively. Other posts on the council will be filled at the next regular meeting of the body.

Stanley Gross, burgess, presided over the meeting, in the course of which he presented a report on his visit to George W. Ebert, supervisor of Grounds and Buildings. Mr. Ebert told him that the community hall, promised to the trailer residents for some time, had been requisitioned and would be set up as soon as transportation can be secured to get it to State College.

Other items mentioned in the report included the play yard, soon to be constructed on Reiter Drive, west of the central laundry; a sewage disposal system to be installed in each trailer for sink drainage; street signs, which are being made; and trees and shrubbery which will be planted as soon as possible. It was also announced that all the trailers will be painted apple green with windows and doors painted cream.

Burgess Gross proposed that a plaque, to include the preamble to the borough constitution, how and why the borough streets were named, names and trailer numbers of all trailer residents and of members of the present administration, be placed on the outside of the expected community hall.

Council members Locke and Sparks suggested that signs setting a ten-mile speed limit for delivery trucks and automobiles travelling through the trailer community, should be set up.

James Magargee proposed that the College be asked to paint lines on the parking lot surface so that cars will park more closely.

## 'Spring Nocturne' Queen To Reign at X-G-I Dance; Elliott Lawrence to Play

The all-college semi-formal dance scheduled for April 12 will be called "Spring Nocturne," the X-G-I Club's dance committee announced yesterday. Elliott Lawrence and his orchestra will play for the affair in Recreation Hall.

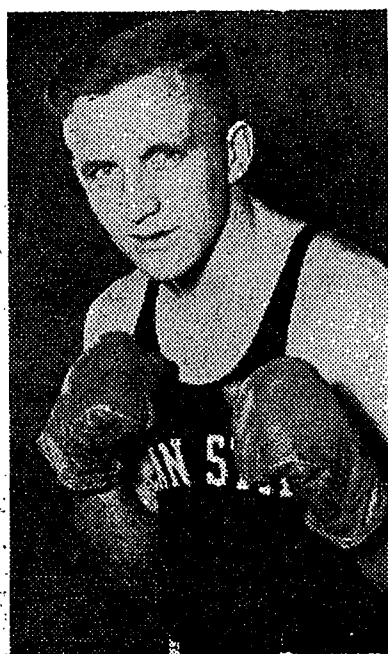

A final list of rules for entry in the Powers Beauty Queen contest has been set forth by the committee. The only major change is that all photographs entered by campus organizations will be judged by John Robert Powers who heads one of the nations leading model agencies. It was previously announced that a local committee would select five finalists whose pictures would be sent to Powers.

- The rules are as follows:
1. Each fraternity, independent house, or organization on campus will be allowed to enter one picture.
  2. The picture must be 5x7 inches in size, printed on glossy paper.
  3. It must be a full-faced photograph.
  4. Only Penn State coeds are eligible.
  5. All entries must be brought or mailed to the Tau Kappa Epsilon house before noon Saturday, March 30.
  6. The winner's name will not be announced until April 12, the night of the dance. During intermission time, the new queen's photograph will be taken from an envelope which will have been sealed by John Powers in New York.

## Thespian Chorus

will meet at the main entrance of Schwab auditorium, at 7:30 tomorrow night, according to Bud Mellot, director.

## Ex Lion Star

Paul Humes Smith, Jr.

## Paul Smith Dies In Bed

Paul Smith, 22, captain of the College boxing team, was found dead at the home of friends in Greensburg Sunday morning. The coroner's report ascribed his death to natural causes.

An eighth semester student in physical education, Smith was visiting at the home of Mr. and Mrs. T. E. Frederickson at the time of his death. He was well acquainted with Mary Frederickson, a February graduate of the College.

When Smith failed to appear for breakfast, Miss Frederickson's father went to the room he was occupying and found his body. A Greensburg doctor who examined the body at 11 a.m. said he had been dead for several hours.

**Two-Sport Athlete**  
Smith was well known on campus as an athlete, having competed on the track team for two years and on the boxing team for three. He was captain of the boxing team this past year and in 1945 had been awarded the Frank J. Goodman Trophy as Penn State's most valuable boxer. He most often fought in the 135-pound class, and competed in track at the mile-length.

Ironically, Smith's mother was passing through State College on her way to a funeral in Philadelphia when word reached her of her son's death. Her daughter, Shirley, a coed at the College, joined Mrs. Smith on the trip back to the Smith home in Hollidaysburg.

**Navy Veteran**  
"Smitty," as he was known to many on campus, was discharged from the U. S. Navy late in 1943 and returned to the College then to resume his studies. He was runner up in the fight for the Eastern Intercollegiate Boxing title in the 135-pound class last year, but was eliminated early in the competition this year. With this year's boxing season completed, Smith had again started working out for the forthcoming track season. He was found physically fit in an examination required of all participants in sports at the College last week.

Funeral services are to be held at 2:30 tomorrow afternoon, from the Lutheran Church in Hollidaysburg. Representatives from the boxing and track teams plan to attend.

Tune in and hear about people you know yourself, at 6:45 this Thursday.

## Every Student Must Register

Preliminary application forms and class schedules for the Summer Sessions will be available in the offices of the deans beginning today. Every student enrolled in the College now is requested to fill out a form indicating whether or not he intends to register in any of the Summer Sessions.

All statements must be returned to the deans' offices by next Tuesday or Wednesday. Part I is to be filled out by all students, while those students who expect to attend the session will fill out all three parts after consulting their advisors.

Registration is unlimited at the present and no advance deposit will be required. Dormitory assignments will be made according to the information received on these applications. Jordan and Watts Halls are to be used for men, and married couples may be accommodated in the cottages. Women students will occupy all other dormitories.

## Players Add Special Music

Special music has been composed for the Players' production of "Macbeth," announced Frank Neusbaum, director, today. Shakespeare's play will be presented in Schwab Auditorium at 8 p.m. Friday and Saturday.

"Mr. Neusbaum gave us the mood and we put music to it," said Donald Sandt, speaking for himself and Albert Zimmer. The men, both graduate music students of the College, composed, arranged, and will direct their score.

"It was written to provide transition and background," Sandt said. "We have murder music, Lady Macbeth music, and witch music. It is gaudy or gay, dischordant or melancholy depending on the progress of the play." "The instruments were chosen with the dramatic effect we desired in mind."

Those who will play include Joanne Broberg, first trumpet; Gene Bixler, second trumpet; Barbara Gillet, third trumpet; Marjorie Rex, first French horn; and Dorothy Cornell, second French horn. Zimmer will play the baritone horn and Sandt the tympani.

## Red Cross Tops Quota

The Red Cross unit on campus topped the \$1200 quota by \$449 to date, with more money expected by the end of the week, announced Carol Dieckman, chairman of the drive.

All organizations on campus which have not contributed are asked to do so as soon as possible by contacting either Carol Dieckman at the Kappa Alpha Theta house or Walter "Jinx" Falkenberg at the Chi Phi house.

Twenty-seven fraternities have contributed so far, as well as ten sororities. Complete tabulations will be published at a later date.

The Red Cross benefit dance at Recreation Hall Saturday night will donate its proceeds to the Red Cross, announced Miss Dieckman. Dick Berge and his orchestra will provide the music and tickets will be on sale for 1.50 per couple, tax included.

## Dick Berge

... and his orchestra won the voting as "the band of the evening" Saturday night at the Interfraternity Council "Battle of Bands." Berge won over the Campus Owls by nine votes according to Clay Zundel of the IFC dance committee who tabulated the votes.

## Students To Vote For New Officers

Weeks of intensive campaigning and planning will be climaxed today when the students of the College meet in the first floor lounge of Old Main in order to elect the student governing body for the Spring semester. Voting will be conducted from 9 a. m. until 5 p. m. today and tomorrow.

Immediately after the polls close and before the counting of the ballots begins, the Election Committee will meet in 412 Old Main to hear the grievances of both parties and decide if either party shall be penalized because of violations of the Election Code. All penalties shall be inflicted at the discretion of the Election Committee.

## Dean of Women Issues Letter

In view of this week's concentrated sorority rushing and rushee parties, Miss Charlotte E. Ray, Dean of Women, issues the following open letter:

### To Members of Women's Fraternities:

This week presents your annual opportunity to prove that you are a working unit of the College, which every one of your national organizations expects of you; collectively and individually you are able to show your efficiency in promoting the program of Penn State. During this busy rushing season, there are two things to have in mind daily if you believe the fraternity system has a place in education and if you wish the faculty to credit your loyalty:

1. See that your members and prospective members maintain perfect attendance with all assignments prepared.
2. Eliminate long sessions and guard your health so wisely that neither you nor the Health Service may ask why we justify a program that leaves students worn-out and worried.

Where there are so many competent and thoughtful students, these two conditions are not hard to meet, but their observance will do wonders to retain the esteem that you value with fellow-students and faculty.

Sincerely yours,  
Charlotte E. Ray

ISC is giving booths to the first 20 fraternities who sign up for them at Student Union on Monday. Ten additional booths will be provided for independents.

Andy Kirner and his 15 piece band from Lancaster will furnish the music. Tickets will cost \$2.40, tax included.

## Students Pay Fees Friday

Fees are due to be paid in Recreation Hall from 9 a. m. to 5 p. m. continuously, Friday, Bursar Russell E. Clark announced.

Graduate and special students whose fees are less than \$10 and who have paid the \$10 advance fee need not appear at Recreation Hall. "Refund checks will be prepared for them at the Bursar's office at the earliest possible moment," Bursar Clark stated.

No estimates can be made for individual fees, but a fee estimate blank upon which students may figure the amount due, may be obtained at the Bursar's Office.

The College will accept cash or personal checks in payment. There is a \$5 penalty for late payment.

## Coeds Debate Against Men

Three members of the negative team of the Women's Debate team will debate this week against the Johns Hopkins University and Loyola University male teams.

The question to be debated is: Resolved: That the foreign policy of the United States should be directed toward the establishment of free trade among the nations of the world.

Against Shippensburg yesterday, Rita Cota gave the constructive speech and answered questions. The cross-examination and summary was presented by Elizabeth Marshall.
