PRICE FIVE CENTS

ISC To Name Contest Winners During 'Bunny Hop' Intermission

Winners of the contest to guess the weight of the rabbit in the Athletic Store window will be announced during intermission at the Bunny Hop, semi-formal dance, sponsored by ISC, in Recreation Hall from 9 to 12 tomorrow night.

The rabbit will be weighed at 5 p.m. tomorrow in the Athletic Store window. The person coming closest to the exact weight of the rabbit will choose any one of the prizes among those displayed in the window. Second place winner will have a choice out of eight of the prizes displayed and the person coming in third in the contest will have a choice out of three.

Kerner Plays

Andy Kerner and his 15-piece band from Lancaster, specialists in sweet music, will play. It has been ISC's policy in their past all-college dances to bring Pennsylvania bands to campus so that the students may hear their own state bands. Pennsylvania bands in the past included Bud Wills from Johnstown, and Brad Hunt from Pittsburgh.

Decorations will follow the tone set by the name of the dance, Bunny Hop, with an Easter assortment of colors, and balloons.

Tickets at \$2.40 per couple, tax included, will be sold at the dance and at Student Union until noon tomorrow. There will be 15 booths for fraternities and the same number for independents.

Four Committees

Under the coordination of Walter Pascoe, ISC president, the committee chairmen and members are:

Dance committee: Shirley Levinson, chairman; Salvatore Rocci, and Bernice McFate.

Publicity committee: Michael Horen, chairman; Lois Reese, Frank Phillipbar, Dena Constantine, James Jenkins, and Esther Gershman.

Decorations committee: Margaret Chaney, chairman; Ruth Brenner, Robert Gianone, Frank Tidona, Eleanor Casselberry, and Jane Rosenthal.

Gabriel Harkovitz is handling the programs.

Although the possibility of donating the proceeds to the Student Union Building Fund was discussed at the last ISC meeting, the group decided to abide by a previous motion: that the Council decide after the dance where the money is to go.

According to the new constitution adopted recently by ISC the name of the organization was changed to Independent Student Council instead of Committee.

College Flies State Flag In Army Day Observation

The College will observe Army Day tomorrow by flying the Flag of the United States and the Pennsylvania State Flag on poles in front of Old Main, according to a recent order by Gov. Edward Martin.

"Wherever the Flag of the United States proudly flies, at home and over lands across the sea, the annual observance of Army Day will be held on Saturday," stated the Governor. "I call upon the people of Pennsylvania to join wholeheartedly in this notable peacetime celebration in tribute to the valor of the American Army and its brilliant record of patriotic achievement.

"In recognition of Army Day I direct that the Flag of our Nation and the Pennsylvania State Flag be displayed from all schools and public buildings throughout the Commonwealth," concluded Governor Martin.

WALTER PASCOE

1500 Endorse AVC Petition

Fifteen hundred persons signed the Patman Housing Bill petition sponsored by the American Veterans Committee which was sent to the two Pennsylvania senators, Francis Myers and Joseph Guffey, and Emmert Brumbaugh, local representative.

Replies were received from Myers saying "that he will back the bill to the limit" and from Brumbaugh who "will give the information careful consideration when the bill comes back from the Senate."

In a letter from Guffey he stated that he agrees with the petition and that he will vote for the bill in its original form.

The purpose of the petition was not only to urge passage of the bill, but also to demand two amendments which had been defeated by the House.

The original plan calls for the immediate building of 2,700,000 temporary homes and 3,000,000 low cost homes to be built over a period of 12 years. The two issues struck out by the House were:

1. A \$600,000,000 subsidy, one third to be spent for research and home improvement and two thirds for conventional building. Subsidies will be given only to building concerns operating on a marginal profit.

2. A \$6000 ceiling on homes ready for immediate use and \$50 per month rent on homes to be built in the next 12 years.

Officers of the American Veterans Committee are: Edward Banyai, chairman; Cy Good, vice-chairman; John Remes, recording secretary; and Hugh Ridall, treasurer.

Heads of the various committees are: William L. Brown, policy; Ben French, publicity; and Jack Bowers, membership. The next meeting will be in 120 State College High School, 7:30 p. m. Tuesday.

LA Lecture

Series will present Dr. C. S. Anderson speaking on "Poland—Today" in 121 Sparks, at 8 p.m. Tuesday.

Heading the list will be the Spring Inter-mural sports program, headed by Warren Neiger, chairman. Softball, golf and five-man soccer will be offered.

The awarding of a scholarship cup will also be resumed. Jack Fore, chairman of the scholarship committee, has urged all fraternities to submit a certified list of all members and pledges to Student Union before May 15. The cup will be awarded for this semester's averages, Fore stated.

IFC President Joseph Steel announced that Acacia and Alpha Chi Rho were readmitted to the council at this week's meeting. Steel also gave the figures of the recent "Battle of the Bands." Paid admissions totaled 696 and profit of \$425 was realized.

A new dating code is being drawn up along the lines of the 1942 code and will be submitted at the next meeting, Steel announced. All house presidents and social chairmen are to meet Miss Charlotte E. Ray, dean of women, Wednesday at 7 p.m. in 405 Old Main for clarification of the code, he added.
