Trackmen Lose, 94-23

Penn State's lacrossemen rose above the .500 mark Saturday as they trimmed Swarthmore's Garnet, 11-4, for the first time in eight years. The Lions now boast a season's record of four wins, and three losses, with three games yet to be played.

Coach Chick Werner's trackmen were less fortunate as they fell before a powerful Ohio State squad, 94-23, for their initial dual meet loss of the season.

Nittany Lion lacrossemen chalked up win number four of the cur-rent season as they routed the tany track squad as they bowed Garnet stick-wielders at Swarthmore 11-4 Saturday afternoon. Out of the wreckage, State managed to salvage one first place in the shot put and a tie for first

In gaining its fourth win in seven starts, the Nittany lacrosse team takes claim to the mythical Pennsylvania state lacrosse cham-pionship which Coach Avery Blake's Garnet teams have held for the last seven years.

The Lions stretched their record to four victories and three losses, having dropped games only to the lacrosse "big three," Army, John Hopkins, and Navy. Attackmen Tally Eight

Inside attackmen, Cliff Sullivan and left-hander Howdy Taylor, paced the Lions in the scoring cola squad of performers to the 3. IC4A meet at Annapolis next Sat- 4. umn, collecting three goals apiece. The other starting attackman, Ken Kerwin, flipped in two as did centerfielder Ernie Baer, while reserve midfielder Sammy Kay accounted for one tally. Captain John Nolan watched the

Saturday game from the sidelines. Walt Stevens started at the center post:while George Locotos, regular face-off man, switched to Nolan's second attack position in centerfield. Coach Nick Thiel hopes that Nolan's shoulder injury, received in the Johns Hopkins game last week, will heal in time for the big midfielder to see action in the Syracuse and Cornell contests Friday and Saturday.

Score in 18 Seconds

State started early to score as Sullivan racked up the first Nittany tally in 18 seconds of the opening period, dodging by the Swarthmore zoned inside defense to make the shot. The Garnet scored after seven minutes, to deadlock the first quarter at 1-1.

The second period was a see-saw battle. The Lions scored first only to have Swarthmore tie it up again at two-all. The State stickwielders put another shot through the net and then added two more counters to match the Garnet's two before the half ended with the Nittany lacrossemen ahead, 5-4. Garnet Held Scoreless

Swarthmore was shut out in the second half by the Lion stickmen. The brilliant man-to-man defensive played by the two State defense foursomes: starting goalie, "Wild Bill" Hollenbach, Pete Johnson, Jack Pfirman, and Art Tenhula, and reserve inside defensemen, Bob Hayes, Bronco Kosanovich, John Finely, and netman George Meeker. Coach Thiel used all 20 men on

Five teams remain undefeated in the independent softball leagues the tourney swings around the halfway point with skirmishes scheduled tomorrow and Friday. Still boasting unblemished records are Beaver House, Ramblers, Graham A. C., and Greystones with two wins apiece, and PeRos with one victory.

Rain forced postponement of last Tuesday's games, but they will be made up over some week-end date, according to Charlie Krug, director of independent softball.

In the only games played last week, Ramblers blanked Nittany Coop, 1-0; Beaver House trounc-Coop, ed Ath (Hall Boys, 10-2; while Graham's eked out a victory over Oxford House, 5-4.

Gridmen Lack Pre-War Stars

Penn State's 1946 football progress will depend pretty largely on the number of pre-war stars who return to the campus next fall, according to Coach Bib Higgins.

No outstanding players were uncovered at spring practice, the Lion mentor pointed out, adding that an early start probably will be necessary to enable pre-war players to achieve playing condition before the first week in October.

While no definite date has yet been set, he indicated that the full squad would report on Mon-day, August 18, and except for a Labor Day lay-off, work daily Bucknell on Saturday, October 5: The Nittany Lions will play a nine-game schedule this fall, closing against Miami, November 29: Nine players have been lost to Uncle Sam since the close of the 1945 season, and only a half dozen players remain from the squad that won five and lost three last season. Mountaineer athletic teams have seemed to be at their peak when meeting State teams. Many a Lion team has found their season dreams shattered by the boys from Morgantown. The Bedenkmen will be out tomorrow to end this tradition.

The Lions run into the toughest part of their schedule this week as they play three games, all at home. In addition to tomorrow's contest with the Mountaineers, they meet Colgate on Friday and Saturday. One Earned Run

A mid-season recap shows that Coach Bedenk's two ace hurlers, Ken Yount and Bob Gehrett, have given up only one earned run each in the regular collegiate season. Both pitchers were touched for one earned run in losing to Lafay ette 4-3.

In the last four contests, neither hurler has given up an earned run. Yount has had only one run scored against him since the coening-loss. He holds wins over Bucknell 9-0-and Muhlenberg 2-1

Gehrett blanked the Pitt Panthers 2-0, giving up six hits and won out over: Georgetown 4-3 Both games were away. Leading Sluggers
