# WSGA Treks to Ag Hill For New Prexy, Waygood

By MARILYNN JACOBSON

Mary Lou Waygood, just back from an appendicitis scare, stepped off the bus at 8 p.m. Tuesday to accept congrats from a sorority sister, and thus a new WSGA president is born.

When asked the usual question about what reaction she had to becoming president, Mary Lou, true to form, answered the usual reply: "I am greatly honored and certainly hope I

will live up to the hopes of those who elected me." But Block and Bridle Club, Freshman Council, Freshman's Custom's Board, and Delta Gamma presican be caught unawares.

Actually, Mary Lou is a blonde, fair-skinned student of—and this will really give you a kick—animal husbandry. She wants to live on a ranch out West, and take as her motto "Go West, young woman, go west." A slight pause must be allowed for Greeley to

That picture of the coed in the current issue of Froth showing her with her arm around a sheep is typical of the curriculum she is taking. Last semester it was horses; this semester, which is

her sixth, it's sheep.

Aside from the fact that Mary
Lou is busy planning a trip to California this summer to look over a few ranches, she adores people, her favorite hobby is hobbies, and she likes to pick strawberries and eat them fresh from the garden.

Just for the records, Mary Lou's activities are WSGA junior senator. PSCA cabinet, Cwens president, Ag Student Council, third

## Introducing 'Puff,' The Blond Bomber Of the Hare Family

The latest rage of the male element on campus is a platinum blond with come-hitherish pink eyes. Her only defect is a lopsided left ear, but that doesn't keep the men away. This new sensation's name is "Puff" and she's a member of the Hare

To get down to brass tacks, Puff is a rabibit but she's not the usual type that you see scurry ing through Ag Hill gardens. Besides being the only rabbit to live in a fraternity house, she also has the distinction of being the only female to make her home with a group of fraters.

#### From Ath to Theta Xi

It all came about when a coed, finding it difficult to keep a rabbit in Atherton Hall, turned the lucky female over to the Theta Xi's. Puff must have missed dorm life for as a youngster she wandered over to Atherton one day and had a fine time chewing up dresses and slippers. Evidently, however, she gradually found life with a bunch of men more appealing for she settled down at the Theta Xi house where she's

living in a rabbit's paradise. Now that she's older, all of twelve weeks, she makes her home in a pen built especially for her in the back yard of the fraternity house. As would be expected of an exceptional girl like Puff she's a connoisseur of foods, preferring lettuce, carrots, and saltines, with root beer and doughnuts for dessert. She's fed these delicacies by Theta Xi Bill Baer three times a day but meal time varies according to Bill's classes.

### Gentlemen Prefer Blondes

Proving the adage, "Gentlemen prefer blonds," Puff is the sensation of Saturday nights at the fraternity house. She's catching on to this college life rapidly and it's expected that soon Puff will broaden out her "eat, sleep, and socialize" existence with some

So-if you see a smooth platinum blond strolling down the mall in a few semesters, don't wait for an introduction, just go up and say "hello" to Puff.

It's a boy'... they think. Mac Hall coeds living on third floor north proudly display their child to callers but explain a little sheepishly that the sex of the new-born is undetermined as yet. Robins can be that way, you know. Little did the "mama" robin anticipate the wide spread attention she and her brood were to receive when she and her hubby decided to build on the third floor fire escape, but with the housing situation what it is, even the trees are crowded. At

are impending, and readers are advised to watch the local newspaper for further developments. the latest report, two other births paper for further developments. Flash: There are now three baby

### **Robins to Sororities**

And with a quick switch from robins to sororities and fraternities we find that lots has been happening this week. Phi Kappa Psi recently had a joint party with the Chi Phis and plans to entertain with Spoudekastor next week. This fraternity recently pledged Johnnie Benglian, Larry Lowry and John Zagoudis. The Phi Delts have pledged Al Mac-Donald. The AChiOs had a dessert party for the SAEs Tuesday night, and not too long ago the Delta Siza ware optomical by Delta Sigs were entertained by the Kappas. Two sororities have pledge dances slated for this weekend, the AOPis will hold theirs at the University Club tomorrow night to the music of Gene Sprague and his Pink Ele-phants while the ChiOs are planning theirs for the Nittany Lion Inn on Saturday night, music by the Campus Owls.

### Men in Ath?

No doubt, the party who called a first floor room in Atherton Hall and was cheerfully greeted by an oh, so masculine voice was surprised. But the explanation that it "must be the wrong number because this is the such and such fraternity" was accepted the first time, and the conversation ceased for the minute. With fraternities on campus who could be expected to know that there is no such and such fraternity listed? Any way, a few minutes later the persistent caller tried again only

an enterprising hostess to figure out that first floor phones sitting on window sills are equally accessible from the outside, and just to keep the record straight, the culprits were severely repri-manded. (ed. note: if it had been a second floor phone, the situation might have proved more serious.)

### Sorority Bits

The SDTs and their dates had a breakfast Sunday, and last night they had a weiner roast at Fairmont Park. The sorority has elected the following officers to serve next fall: Sybil Peskin, president; Marlyn Watman, vicepresident; Dorothy Leibovitz, corresponding secretary; Theresa Cohen, recording secretary, and Eileen Ershler, treasurer. Spoudekastor pledges are planning a picnic for Saturday at Greenwood Furnace.

The Kappas recently held their annual scholarship buffet supper for the local chapter and alums. This sorority entertained the DUs last night at a picnic. The Alpha Xis will hold their annual Rose Dance Saturday night at the University Club. Northwest Ath had a senior party Tuesday night.
