## Pennsylvania Clubs Line Up To Organize Ski Federation

Twenty representatives from Pennsylvania ski clubs met recently at the Penn State Winter Sports Lodge to form The Pennsylvania State Ski Federation, announced Max S. Peters, newly elected president.

As a constitution is being formed the club is considering projects. Among these are a plan to certify amateur ski instructors for all ski areas, and one to have all ski trails in the state graded as to the skiing ability needed to ski on them. Another possibility would be to compound information on the ski facilities of each area into one report for the use of persons looking for different places to ski.

Arrangements were made for a state-wide competition to be held on the slopes now used by the Penns Valley Ski Club February 1 and 2.

The new federation is the first state skiing organization to be formed. Carl Schott, dean of the school of Physical Education and Athletics, attended the meeting and spoke on the interest the College has shown in skiing.

Representatives of the following clubs were present: Pittsburgh Ski Club, Johnstown Ski Club, Bradford Ski Club, Beacon Hill Ski Club (Junior) of Bradford, Pine Top Ski Club of Phillipsburg, and the Penns Valley Ski Club.

The Philadelphia Ski Club, The POCO Ski Club, The Wissahichen Ski Club of Philadelphia, and the Pocono Mountains Ski Club all sent letters stating that they wished to join the Federation.
