

Artists' Course

Paul Robeson, negro baritone, will open the 1946-47 Artists' Course series, December 9. Priority ticket numbers will be issued to students Monday, October 7 at the Athletic Association window in Old Main. Tickets for the series of four events are \$5.00 and \$6.00, plus tax.

ROTC Changes Age Limits

Colonel Ben-Hur Chastaine has announced that age requirements for advanced ROTC have been changed so that more students may be eligible for the course. The age limit is now "not more than 27 years of age with a minimum age of 14 years." That means that students who have successfully completed the basic ROTC course, or have the equivalent military service, are now eligible for the advanced course ROTC if they are between the ages of 14 and 27.

If a student graduates before the age of 21, he receives a military certificate of eligibility until he attains the age of 21 at which time a commission as Second Lieutenant, Reserve is automatically granted.

Over 70 members of the clique turned out for the meeting, the first of the fall semester.

Only two days before, the members of the Nittany-Independent clique had met in answer to a call from Eugene Fulmer, member of the policy committee, on behalf of retiring chairman Brown.

Green, who had previously held the position of senior class clique chairman, took over the chairmanship of the entire clique after a suggestion from the floor that the senior chairman would be the logical man.

At the same meeting, Emery Brown was elected assistant clique chairman and Mar'e Shamacher was elected to take the place of Jeanne Schrupp, who will be practice-teaching this semester.

All-College Elections will be held in the Armory October 22 and 23 at which time the All-College and class officers will be elected, Jack Branigan, chairman of the All-College Elections committee.

Preliminary nomination meetings are to be held by the cliques Sunday while the final nominations will be made on October 13. Lists of candidates must be turned in October 14.
