

Cross-Country Team Points For Opener With Syracuse

Horne Captains Lion Harriers

This week, Coach Chick Werner and his varsity cross-country team round out their preliminary toughening-up program, and head for Syracuse for the first meet of the season on Saturday.

Howie Horne, member of the 1942 National championship team, was named yesterday by Werner to act as team captain against the Orangemen. In addition to Horne, Jerry Karver, freshman intercollegiate champion and one-time state champion in the P. I. A. A. mile and cross-country, Curt Stone, Bernie Rudnick and Don Longenecker will make the trip. Coach Werner will not name the final team until just before meet time.

Monday, the varsity hill-and-dalers worked out on the Centre Hills Country Club grounds to give the runners the feel of a hilly course such as Syracuse offers.

Grief at Syracuse

Neither Syracuse nor the Lions have had a cross-country team since 1942. For that reason both squads will be unknown quantities until after Saturday's contest. And Chick Werner isn't expecting an easy time of it either, because the Orange coach is Bob Grieve, who formerly assisted Werner with the Nittany Lions.

Tink Candy, one of the most promising runners on the squad, according to the Lion coach, was lost to the team for several days last week because of a leg injury. Candy, however, is back with the squad now although he will not make the Syracuse trip.

Between The Lions

Sports Shorts

Dr. Carl P. Schott, dean of the School of Physical Education and Athletics, has been named to the U. S. boxing committee for the 1948 Olympic Games. Gene Wettstone, Lion coach, was appointed to a like position in gymnastics.

When Penn State and the University of Pennsylvania engaged in their pre-season scrimmage, the Nittany Lions used ten players who had opposed the Quakers on Franklin Field in 1942. Seven Penn players also had played in the '42 game.

Norm Gordon, varsity track aide, estimates he has run 400 to 500 races during the last 12 years.

Two former Penn State wrestlers will coach rival high school teams next season. Glenn Smith, of Mt. Carmel, is the new coach at Bellefonte, while Clair Hess, of Blairsville, has accepted a like position at DuBois. Both are ex-servicemen.

Sever Toretti, of Monongahela, who played on the crack 1941 football team at Penn State, is looking forward to his first season as head coach at Steelton High School. Toretti, a war veteran, previously served as an assistant at Steelton.

Lion Grid Team Faces Orange In Night Contest

Penn State will play its first away game of the 1946 season when the Nittany Lions journey to Syracuse, N. Y., on Saturday to take on the Orangemen under the lights. Game time is 8 p.m. at Archbold Stadium.

"Biggie" Munn, in his first year as Syracuse head coach after eight years as Michigan's line coach, has as his backfield coach Forest Evashevski, signal-caller and chief blocker on the Michigan elevens that starred Tom Harmon. Munn and his assistants have developed an offensive which operates from a T-formation and then winds up in a single wing thrust.

Watt a Backfield Threat

The chief Syracuse backfield threats are Joe Watt, Eddie Dolan, Walter "Slivers" Slovenski, and Captain Dick Whitesell with triple-threat Larry Ellis operating in the quarterback spot. Watt, Whitesell, and Ellis played on the 1942 Orange eleven that lost to the Lions by an 18 to 13 score.

The Orange line, although very heavy, lacks experience and is short on replacements. It was this lack of replacements that enabled a lighter Dartmouth eleven to overcome Syracuse last Saturday by a 20 to 14 count.

At the end, will be Paul McKee who grabbed Johnny Mandarino's pass to score against Dartmouth, and Doc Accocella who played in last year's East-West game. Jack Kerchman, who played tackle for the Army All-Stars in the China Bowl game last year, is the only other experienced lineman.

The Penn State-Syracuse series started in 1922 and has been continued every year since then with the exception of 1942 when the Orange suspended football. Holding the edge, Syracuse has won 10, lost 8, and tied 5 games.

Varsity Skiers Meet

Undergraduates interested in the varsity ski team should attend a meeting in the balcony of Rec Hall today at 4:30 p.m., according to Sherman Fogg, varsity coach.

Kill That Tiger

"Why," you probably wondered yesterday, "does the A.P. have Detroit playing in the World Series?" Well, rest easy; the Tigers didn't play. But the wire man in Harrisburg is a rabid Tiger fan... so what!

Football Forecast New Collegian Feature

When Collegian readers pick up their papers tomorrow morning, they will notice a new Fall sports page feature. Through the help of his brother, an undergraduate at the College, Joe Harris has granted the Collegian permission to print his "Football Forecasts," a nationally known survey of the best football contests all over the country, as a regular weekly feature.

Not only collegiate scores, but also the advance dope on all games in both professional football leagues are included in the Forecast. So far this season, the Harris Forecast has proved its worth to the tune of 85 percent accuracy.

Wrestlers Meet

Contrary to an announcement in yesterday's Collegian, not "try-outs" but merely a meeting of all prospective wrestlers will be held in Rec Hall at 4:30 p.m. today. All men interested in varsity wrestling during the winter season are urged to attend, according to Coach Charlie Spiedel.
