

Booters Meet Colgate

Jeffrey Men Seek Third Straight Win

Fielding his best soccer team since the 1942 season, Coach Bill Jeffrey is looking forward to a scrappy fight with Colgate's Red Raiders on the baseball field, 1:30 p.m. tomorrow.

Like the Lion eleven the Raiders are undefeated so far this year, although one of their games was a tie with Cornell. The Blue and White squad claims two consecutive shut-outs over Gettysburg and Bucknell.

Winning Line-up

Coach Jeffrey will start the same winning line-up as in the past two contests. All-American goalie Graebner, will be at the Lion net, with other champions, Dean Hartman and team captain Johnny Hamilton, at the right half-back and inside right positions respectively.

Ken Howerman, who tallied four goals against Bucknell last Saturday, is back at center with the other half of the scoring combination, Paul Bender, starting at outside right. Dietrich gets the nod for the right fullback spot, with Lloyd Black at the left side.

Petroff at Center-Half

Tim Petroff, who played a bang-up game last week, will start at center halfback. Boyd Eiters at left halfback, Dean Witmer at inside left and Hackman at outside left complete the Lion roster.

Additional Lion booters who are expected to see action are Jess Hartman, Jewell, Kline, Schellenberger, Jim Eiters, Hugh Black, Cooper, Tasher, and Nicklas.

Dalgety Leads Raiders

Colgate Coach Jim Dalgety will start Duncan-at-goal, Domestic at right fullback and Darling at the left side. Heindenreich will be at the right halfback position, Vanderweghe at center half and Wetherall in the left halfback spot.

Bullen starts at outside right, Lee on the inside, Head at center fullback, and team captain Adams at inside left. Conn, at outside left, completes the Red Raider line-up. Raider substitutions include Crowley, French, Midkiff, Lemcke, and Williamson. Official for the contest will be Jim McFalls of Sturgeon, Pa.

Hit the Road

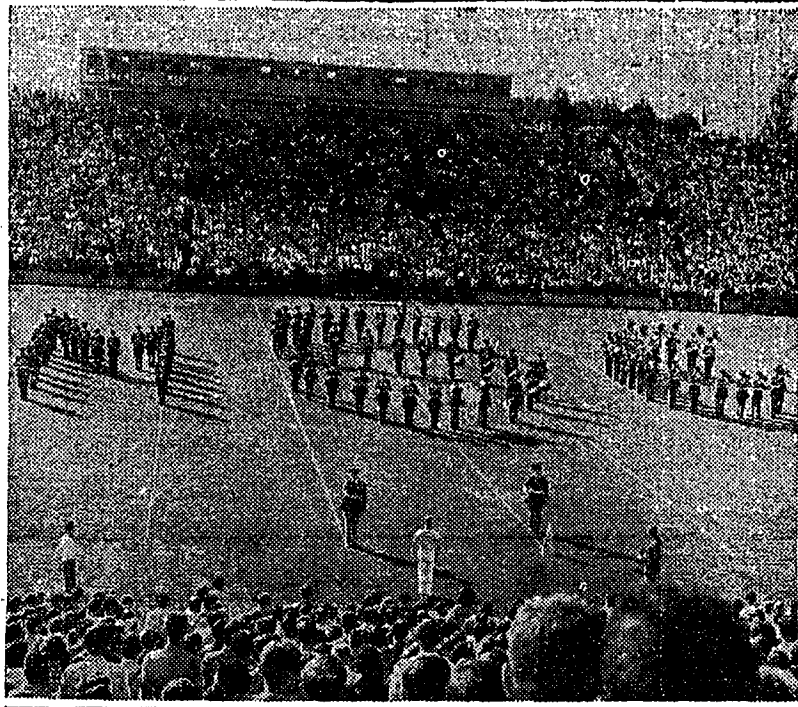

The Jeffrey men will hit the road for two games at Navy and Cornell beginning next week. Next home game will be with Syracuse on November 9. Army comes to State College November 16, and then the Lions go to Philadelphia for games with Temple and Pennsylvania.

Sports Shorts

In his first 11 attempts as a punter on Michigan State's football team, Halfback George Guerre compiled an average of 41.9 yards per kick.

Eddie Sobczak, blue-fingered end on Michigan State's football team, is a first string outfielder on the Spartan baseball team.

Spartans to March with Blue Band

Football fans at the Michigan State game tomorrow will get a special musical treat dished up by the Spartan marching band and Penn State's own fast-stepping Blue Band.

The crack 80-piece MSC band, directed by Leonard V. Falcone, will take the field first during the half-time festivities and has planned several new and intricate formations. This is the first time since 1942 that the Spartan musicians have taken an out-of-state trip.

Hum Fishburn's Blue Band will follow the Michigan State band and for the second time since pre-war years will step off on their 158 steps per minute. Hum has some tricks up his own sleeve for the Homecoming crowd and promises a real battle between the two bands.

Drum Major for the Spartan band is Jim Dye while Richard Reamer will lead the 80-piece Blue Band onto the field.

Intramural Football Attracts Keen Interest This Year - Bischoff

"There has been an unusual amount of interest displayed in intramural football this year," Eugene C. Bischoff, director of undergraduate intramural activities, said last night as the deadline fell on all intramural football, cross-country, and swimming entries.

Exact figures were not known, but approximately 40 fraternity teams and 20 independent teams had submitted rosters for the football competition.

Starting Monday evening, two or possibly three games will be played each night. All games are to be played on the varsity practice field, to the rear of the tennis courts.

"A definite schedule has not yet been set up," Mr. Bischoff said, "but the teams that meet Monday evening will be notified by telephone tomorrow or Saturday." Schedules for the remain-

der of the week will be carried daily by the Collegian.

Probable starting time for the first game Monday night is set at 7:30 p. m. and teams may use the field for practice before that time provided the varsity team has completed its practice.

"Do not use the field if the varsity is still conducting workouts there," Mr. Bischoff warned.

A first place trophy will be awarded to the winner in the Fraternity and Independent divisions, but because of inability to obtain additional awards, second and third place trophies will not be given.

The Independent organization or fraternity that has compiled the highest number of points at the close of the intramural program next Spring, will be awarded an annual trophy. Points are to be scored on the basis of team standing in each of the intramur-

Penn State's Grid Roster

46	Cook, Ken	170	5-7	1942		Harrisburg

all sports events.

Cross-country

Final entries for intramural cross-country competition were also being made last night.

Date for the cross-country meet has been set for November 6. Each organization must field a three-man team so that all team scoring can be made on an equal basis.

Men planning to enter the intramural cross country competition are urged to run the course at least five times before the meet.

Swimming

A schedule for intramural swimming has not yet been made official and will depend on the progress of the football competition.

Swimming teams must be composed of a minimum of five men who are to compete in the 60-yd. freestyle, 60-yd. backstroke, 60-yd. breaststroke, and the 120-yd. medley. The diving event will consist of two required dives, one front and one back, as well as two optional dives.
