Delta Upsilon topped Phi Delta Theta 6-0 Tuesday in a nip-and-tuck battle to enter the finals in College Intramurals. DU and TKE were scheduled to fight it out for the championship Wednesday.

In the Independent League, Dorm 5 tangles with Dorm 14 in the final round.

The Phi Delt's and DU's were evenly matched as each team constantly failed to dent the other's defense. For 28 minutes the lines held as plays were smothered and defensive backs battered down passes.

The break came for the DU's when a Phi Delt aerial, tossed into the flat, was intercepted by end George Earnshaw, and with excellent blocking, he streaked 65 yards to the pay-dirt.

In the swimming intramurals, Alpha Chi Sigma snatched a close one from Sigma Pi, 22-19, with Yeagley the high point man on the AXS squad. A strong Sigma Chi team decisively beat Beta Sigma Rho, 34-7, while Alpha Sigma Phi placed second against DU, 27-14.

Survivors in the swim tourney are AXS, SX, and DU. Yesterday's schedule paired AXS against SX, with the victor meeting DU tonight for the cup.

The Nittany Lions, who have had only 27 points scored against them all season, have allowed six opponents an average of 137.2 yards per game on both rushing and passing.

Ranking third last week, the Higginsmen passed North Carolina State which is the present runner-up, having held seven opponents to an average of 140.9 yards.

The Lions also moved upward in the rushing defense department, having permitted the enemy to gain an average of only 71.3 yards on the ground. Ranking fifth this week, the Lions placed 11th in rushing defense a week ago.

Ken Hostermen, soccer star, is the third member of his family to play for the Nittany Lions.

"I'm all over the map at once"

"It certainly keeps me on the go... my job of distributing equipment and supplies to the Bell Telephone companies throughout the nation.

"Right now I'm busier than ever... delivering telephones, switchboards, cable and countless other kinds of apparatus and supplies. They're all needed for the Bell System's construction program of more than \$2,000,000,000... to give you better-than-ever telephone service.

"I maintain 29 distributing houses at strategic locations, where I keep some 10,000 different items in stock... and where I also repair telephone equipment.

"And that's only part of my job. I'm manufacturer and purchaser for the Bell System... and I install central office equipment.

"Remember my name... It's Western Electric."
