## Ex-Cabinetman To Lecture

Champion of the farmer, Henry Agard Wallace, former Secretary of Agriculture, of Commerce, and Vice-President of the United States, will speak to a capacity audience in Schwab auditorium at 8 p.m. Monday.

Students may use their Community Forum Series tickets, or purchase one of the 15 reserve seat series tickets now on sale at Student Union. At 7 p.m. Monday night 150 stage seats will go on sale two per customer at \$1 each. Joe Hays, ticket manager, said today.

Wallace, newly named editor of The New Republic, will speak on "Our Internal Economic and Social Problems" in his first lecture in State College. He is currently writing his autobiography which will be published next year.

An ardent supporter of Roosevelt's New Deal policies, Wallace has always championed the cause of the American farmer. In 1935, his Agricultural Adjustment Act was passed which provided for the partial destruction of crops and the killing of livestock in order to cope with the tremendous problem of over-production in the country, and thus increase the income of the farmer. This act was invalidated by the Supreme Court.

The appearance of Coach Bob Higgins and the football squad will be the feature of the BEAT PITT pep rally in front of Old Main at 10 minutes to 1 o'clock this afternoon. Blue Band has delayed their bus trip to Pittsburgh to be available for the rally.

## Lions Meet Panthers In Finale: Hope To Break Two-Year Jinx

### Paint, Paper Keeps Crew Working Hard

"Don't touch Old Main, I don't think it's dry yet." These confusing words only mean that Thespians' advertising crew is hard at work preparing a miniature Old Main for their display as part of the campaign to publicize "No Kick Coming."

Every week night, Jack Saling, advertising manager, and his dungaree-clad crew gather in the basement Thespians room of Schwab, and get out their posters and paints.

Off in one corner, Wayne Shaffer is using the silk screen method of reproduction to turn out mass-production posters. This is really a great experiment according to Shaffer. For the first time, the silk screen is being used to make three-color posters. That means three different processes for each placard. No other group on campus has tried this before.

"It's still in the experimental stage," said Saling, "but it's Wayne's idea; so if you see three-color reproduction posters all over campus soon, you'll know that the experiment has been a success."

Paul Flick, with paint brush in hand, is painting Old Main's tower as part of his display soon to appear in the Athletic Store window. His assistants, Eve Winter, Mary Litus, Ann Auchenbach, and Gloria McCurdy, have been painting and cutting out cardboard figures.

Marge Stridinger and Phyllis Ginsburg in paint-streaked shirts are lettering with ordinary house paint the big wooden showbill

Pitt's Panthers and Penn State's Nittany Lions will clash for the 46th time tomorrow in what has been the traditional battle for both schools since 1893. Game time will be 2 p.m. at the Pitt Stadium.

Pitt, traditional jinx to good Lion seasons, leads in the series with 26 wins to 17 for Penn State. The Panthers won the last two games.

The Pitt-Penn State football game will be broadcast in State College by Station WMAJ through the facilities of Station KDKA, Pittsburgh, Woody Wolff announcing.

A victory tomorrow would give the Lions the best season they have had since 1921, and equal the record set by the 1919 team of which Bob Higgins was captain.

### Coaches Wary

Both Lion Coach Higgins and Pitt's Wes Wesler have stated that the game will be a toss-up with both teams evenly matched. Both insist that "the other guy has a great outfit."

Although the Lions have enjoyed a more successful season, Pitt having beaten only West Virginia and Marquette, the Panthers have shown up favorably against some of the finest teams in the Big Ten.

Playing opposition such as Notre Dame, Illinois, Purdue, Indiana, and Ohio State, Pitt has out-rushed its opponents, showing a game average of 129.8 to 110.6 yards.

Lion scout Earl Edwards, who has been tracking the Panthers since the beginning of the season, reports that the Pitt offense, with ace halfback Bobby "The General" Lee, is going to be a tough one to stop.

### Leading Interceptor

Bill McPeak, standout Panther end, has received 12 passes for a total of 218 yards and two touchdowns. Pitt also boasts the country's leading pass interceptor in 155 pound quarterback Carl De-
