

# Boxers Prepare For Wisconsin After Losing To Syracuse Orange

BY BEN FRENCH

Leo Houck's Nittany Lion boxers returned last night to the Rec Hall sparring ring to prepare for the Saturday visit of the power-packed Wisconsin Badgers. The Lions lost their fourth meet of the season at Syracuse Tuesday night 7 1/2-1 1/2 when a slugging Orange team exploded their power to take all but one bout. Captain Jackie Tighe was awarded a draw for the only Penn State score.

### THREE TKO'S

Three Lions suffered TKO's at the hands of their Syracuse rivals. Red Cramer's bout with Syracuse captain Gerry Auclair was stopped in the first round after the 1942 EIIBA champ opened fast.

Heavyweight Dave Nemeth also met former EIIBA champ—John McArdle—and it was only 37 seconds before the fight was stopped. McArdle had scored two knock-downs.

John Slusser took a pounding from EIIBA champ Billy Byrne for nearly three rounds before the referee awarded the fight to the Syracusan.

### HAWTHORNE EDGED

In what was the evening's most disputed bout, Glenn Hawthorne lost a one-point decision to Vinnie Byrne. The fight was stopped in 58 seconds of the third round when Byrne's right eye was cut.

Intercollegiate rules state that the referee shall total the points at the time and award the fight to the man with the highest number of points. Byrne was leading by one point and Referee Ralaiko gave the fight to Byrne although the Syracusan failed to land a blow in the third round. The final round was scored 10-10.

### TIGHE SCORES

Jackie Tighe led the attack throughout his 165-pound clash with Jim Rollier but Ralaiko ruled that all three rounds were even.

Lions Joe Bondi, Jim Cassidy and Pat Conlon lost close decisions in the meet that failed to see the referee award a single round to the Lions.

### The summaries:

**125-POUNDS:** Gerald Auclair (S) TKO'd Bill Cramer, 1:30, first round.

**130-POUNDS:** Vinnie Byrne (S) decisioned Glenn Hawthorne.

**135-POUNDS:** Joe Bongo (S) decisioned Joe Bondi.

**145-POUNDS:** Dick Prussin (S) decisioned Jim Cassidy.

**165-POUNDS:** Jackie Tighe (PS), Jim Rollier (S), draw.

**175-POUNDS:** Ray Fine (S) decisioned Pat Conlon.

**HEAVYWEIGHT:** John McArdle (S) TKO'd Dave Nemeth, 58 seconds, first.

## Grapplers To Meet West Point Squad

Ernie Closser, 145-pound entry of the Lion wrestling team, will be seeking his fifth win of the season Saturday when the Nittany grapplers take on Army in Rec Hall.

Closser is expected to receive strong opposition from Cadet John Mock, captain of Army's team. Last week Mock decisioned Lehigh's Burns, with whom Closser fought to a tie earlier in the season.

Lloyd Appleton, Cadet coach, brings a well balanced team to Penn State. The West Pointers are exceptionally strong in the lighter weights. Lehigh defeated the Lions 23-5 this year and eked out a close 15-12 decision over the Cadets last week.

Cadet Al Fern will probably start in the 128-pound class. Ed Robertson, veteran of previous years, will appear at 136 pounds. Stan Thevenet, who wrestled against Penn State last year, will probably be the 155-pound entry. Coach Appleton has been using Chuck Olentine at 165 pounds although he is a 155-pounder. Joe Finley, 175-pound grappler, will probably start at that weight, with Joe Green the probable choice for the unlimited class.

## West Pointers Get Too Few Points, Extra Women

Although the West Point gymnasts found themselves with less than half the number of points needed to beat Penn State Saturday, at least four members found themselves with twice the number of girls needed "to do the town" Saturday night.

Arthur G. Ward, Pollock Circle resident and one time West Pointer, thought it would be a nice gesture if he provided dates for his ex-classmates.

Casual remarks like, "My achin' back, a real-live woman!" convinced him that he should.

Ward finally achieved the task he set for himself only to find that the manager of the Nittany Lion Inn, where Cadets Knapp, Robb, Smith and Whistler were staying, had achieved the same goal.

The Cadets, virtually unable to date at the Point, were in a strange position. They actually had to get rid of four women. And they did.

## Newcomers

# Syracuse Initiates Competition In Gymnastics; To Meet Lions

When Penn State's gymnasts journey to Syracuse Saturday, they'll meet a gymnastic team which carries the colors of the Orange for the first time in the history of the College.

Never before has Syracuse floored an acrobatic squad, but with the wide-spread popularity of this sport the Orange decided to grab the idea for the 1947 campaign.

### ROMEO COACHES

Coach Paul Romeo, one-time Indiana University star on the side horse, has a host of former PIAA gymnastic champs from which he can select line-up.

Most of these champions were anxious to enter Penn State, but the over-crowded conditions here forced them to seek enrollment elsewhere.

(Syracuse, with its new sports baby, quickly accepted these Pennsylvania titlists.

Syracuse is victorious to date, but with the sport just in its first season, Orange fans are confident the acrobats will soon hit their stride. However, it may take several years before the present nucleus is shaped into a championship combination.

### GREENE OUT

Stephen Greene, winner of the side horse event and runner-up in the rope climb against Army Saturday, will not make the trip to New York.

Greene returned for the spring semester after missing the fall term, and is remaining behind to get his studies in shape.

Gerald Eddy will fill the rope event gap left by Greene, while Charles Warrington may get one of the starting berths for the side horse event.

After the Syracuse match, the Wettstonemen will return to Rec Hall to meet Temple, March 1. Temple is also undefeated this year and meets Army on Saturday for the second time this season.

Earlier in the campaign the Owls handed the Cadets a 50-46 defeat and are favored to repeat the win.

The Penn State-Temple match may be the deciding contest for the eastern league's championship. Both are considered top teams in the country today, and the meet may turn out to be the most contested competition in gymnastic circles this season.

## Down The Alley

### RIMS Lead League

Taking all three games from R.I.M.S., Beaver House garnered eight league points to finish on top in the IMA bowling tourney's first half.

Longford's Lazy Five won a forfeit victory from the Henpecks to complete the evening's schedule. Jack Macaulay, bowling for the Snafus, hit 212, to become high individual single-game scorer. Rog Nestor amassed 547 points to capture the three game mark.

America's foremost authority on young people's problems

Let bells clang...let horns honk...let dates wait...a girl simply can't go out without lipstick! Why, you'd feel absolutely undressed! You'd rather go without your girdle!

But if you really cared how you looked...you'd leave off a lot of your baubles, gimeracks and dingedangles. When you're all marked out for going places, it is a temptation to gild the lily!

Your dress is all over flowers...so you clip flower sprays to your ears, and poke a posy in your hair. A

blooming flower garden no less. Your suit is tailored, gold buttons march down your front...so you load your wrists with gold, clamp a big gold pin to your chest (north of fraternity pin position) and anchor more gold to your lobes. From the front you blaze with gilt like the uniform of a very small country. Your navy dress is good, then you twist a splashy stiff scarf around your neck, pull on giddy gloves and shoes, clamp your middle in a wide belt, and toss an enormous satchel bag over your shoulder. You're a strong girl to carry so much splash!

One splurge of color...a single striking accessory...will pep up your costume. But a fireworks display will make your audience dizzy. That clutter is overdoing it.

A little eyeshadow...a dash of just-right lipstick...a flick of your favorite scent...will point you up, too. But a little goes a long way.

If you bedeck yourself with geegaws and warpaint...you make YOU insignificant. YOU are overwhelmed. Of course, if you're trying to hide...you needn't pay any attention to all this!
