Rocky Young, Penn State's ace diver, took fourth place in the springboard event at the Eastern Collegiate Swimming Association meet at New Brunswick, N. J., over the weekend.

Rutgers broke almost every existing swimming record to win the team championship with 77 points, while Temple finished second with 26 points. The Owls beat the Nittany natators 45-30 earlier in the season.

### ENTERS FOUR

Coach Lenny Diehl did not enter a full team in the tourney, but sent Young, Mike Kutsenkow, Captain Clyde Bell, and Dick Wesner to represent the Blue and White.

A bad dive caused Young to finish behind Temple's Stockton whom Young had previously defeated in dual meet competition. Kutsenkow took fifth place in the diving event.

Bell came in fifth in the 200-yard breaststroke race while Wesner wasn't able to get past the preliminaries in the 220-yard freestyle event.

# Fencers Select Tessier For Next Year's Captain

Laary Tessier was recently elected captain of the 1947-48 fencing team.

Tessier was outstanding this season for Coach Arthur Meyer's team with the epee and saber as the Nittany fencers won three collegiate matches while dropping three.

Material for next year's team is needed at this time and all men interested in learning how to fence with foil epee and saber should report to 222 Rec Hall any afternoon, except Mondays, after 4:30, for instruction by Bob Harder, according to Manager Hal Benjamin.

Harder, who assisted Coach Meyer this season, is a graduate student at the College and was intercollegiate epee champion in 1942.

# Lion Grapplers Take 6th Place

Jim Mohney annexed the 128 pound Eastern Intercollegiate wrestling title Saturday as Coach Speidel's matmen placed sixth in the 43rd annual tournament held in Yale's Payne Whitney gymnasium in New Haven, Conn.

Placing two finalists, Lehigh University gained two championships and snatched away from the Annapolis Midshipmen the team title which they have held for the past four years.

For Coach Charlie Speidel, the Lion grapplers notched five points on Mohney's performance, one on Grant Dixon's third place, and a singleton recorded by 175-pounder Wally Chambers on a fall. Eastern Intercollegiate award one point for each fall.

Titlist Jim Mohney vanquished four opponents in securing the 128 pound crown. Dartmouth's Bob Bach was his last obstacle. Mohney defeated Bach 5-3 for the title.

His other wins were scored over Army's Alan Levy, Coast Guard's Hay, and Chuddie Smith of Syracuse.

"Smith was the toughest of the four I wrestled," asserted Mohney when queried yesterday. "3-2 was the score, and that just about tells the story," he added.

At 155 pounds, Grant Dixon, defending champ from State, fell by the wayside in the semi-finals as Lehigh's Eric Ericson defeated

CHARLES SPEIDEL

him 5-2. Dixon had previously edged Charlie Hathaway to enter the semi-finals.

Wally Chambers was the third Lion semi-finalist, the 175-pounder having scored two overtime wins in the earlier rounds. Bob Pickett of Syracuse was Chambers' nemesis and eliminated him by decision.

First-round opponent for 145-

pound Ernie Closser was Jack Sullivan of Penn, winner of the 136 pound title in 1944. The Red and Blue representative set Closser but was later forced to default due to an ankle injury, sustained in this bout.

Penn State placed four entrants beyond the first round as Leo Noker, in addition to Mohney, Dixon, and Chambers, scored wins.

George Schautz at 121, Earl Long at 165, and Red Moore in the unlimited class, in addition to Closser, were first match victims. Noker was eliminated in the quarter-finals.

## It's the first of the month— every few days.

The first few days of the month were once a time of feverish activity for telephone accounting personnel. In that short period millions of telephone bills had to be prepared, checked and mailed. But the Bell System accounting staff, seeking to level off this work peak, found a practical solution.

It's called "rotation billing."

Now in our accounting departments, a new month begins every few days. Accounts are divided into six or more

even groups, each with a different billing date. This spreads the work evenly and eliminates the old last-minute rush.

This special problem, solved by telephone accountants, is typical of those which often confront management in the many branches of our business. They present a stimulating challenge to the young men with initiative and imagination who will find just such practical solutions... young men who find telephony an exciting and rewarding career.
