## Programs Chosen For Artist Series

Four programs have been approved for the Artists' Course Series for next year, Dr. C. E. Marquardt, chairman of the committee, announced last night.

The Series will feature "Madame Butterfly" in the opening number on November 17 and 18; Carol Brice, popular young Negro contralto, in mid-February; the National Symphony Orchestra, in March; and William Kapell, pianist, in early April. The exact dates will be announced later by the committee.

Two new features have been added to the Series in an effort to enable more persons to attend the programs next year.

Each program will continue for two nights, and the committee plans to hold two ticket sales if conditions permit, Dr. Marquardt said. The first sale will be held by mail this Spring for faculty members, students and townspeople.

Another sale will be conducted in the Fall semester as in previous years.

The committee approved a rise in ticket prices to \$5.75 and \$6.75, plus tax. This increase, it was explained, was necessitated by "a sharp increase in artists' fees." "Artists' fees," said Dr. Marquardt, "have risen from 25 to 30 per cent and the committee thus deemed it necessary to boost the price of tickets approximately 11 per cent."

## Latins Present Mexican Movie

"Flor Silvestre," a full length Mexican movie, has been obtained by the Circulo Espanol with the co-operation of the International Film Club and will be presented at the Nittany Theatre on Monday night as part of the Pan American celebration at the College.

The leading role is played by Dolores del Rio, who is now working with the Mexican movie industry. Sub-titles are provided in English for those who do not understand Spanish. Regular prices will be charged for this dramatic story of the love between a girl of the poor class and a wealthy gentleman during the last days of the Mexican Revolution.

The International Club is arranging a dinner to be held in the Maple room Monday evening at 6 p.m. Tickets are on sale at the Student Union desk in Old Main for 85 cents.

A flag-raising ceremony in front of Old Main Monday at 11:40 a.m. which will be conducted by the Pershing Rifle Company, will feature the observance of the College's fifth annual Pan American Day celebration.

Recreation Hall will be turned into a Latin Quarter scene in Paris tomorrow night when Pi Gamma Alpha, art honorary, and Soarab, architecture honorary, present at 8 o'clock the first Beaux Arts Ball since 1939, said Edward Lenker, publicity head.

Tickets priced at \$2 plus tax are on sale at Student Union until tomorrow noon. They will also be sold at the dance.

The ends and sides of the dance floor form a background of bright colors to represent a Paris street scene. Chairs and cafe tables typifying a Paris street cafe will be placed around the floor.

Costume prize winner at the traditional Beaux Arts Ball in 1936 was soccer coach Bill Jeffrey in photograph at left. The leopard skin garb was brought from South America by Jeffrey's soccer captain that year, Ted McHune.

Instead of the customary low ceiling canopy, 2,000 balloons will make a sky of clouds above the dancers, according to Betty Schmitt, decoration chairman. The entrance will resemble a Parisian metro or subway with painted posters decorating the sides.

The program consists of selections from classic drama done in full costume of the conventional theatre, dances which have been refined through 2,000 years of practice and tradition and musical numbers featuring the aged instruments of the country.
