

# Coeds Perform to Strauss In White Hall Aquacade

Johanne Strauss plays an important role in "Waltz Time," WRA Swimming Club's annual aquacade being presented in White Hall at 8 o'clock tonight. The program, a sketch of Strauss' life, includes several of his most famous waltzes.

Five couples perform to the "Emperor's Waltz" in the Siamese Number. Strauss' "Village Swal-

lows Waltzes" is used for an all-float routine in which all arm stroking is omitted. Other Strauss melodies are "Blue Danube," "In Old Vienna," and "Tales from the Vienna Woods."
