## Officials Approve Flag for College

College officials have approved the construction of a College flag, to be used exclusively at athletic events, it was announced at the recent joint session of old and new All-College Cabinets.

Other business transacted included the donation of approximately \$7,500, the estimated balance of the treasury (dependent on Senior Ball receipts), toward the future construction of a Student Union building. \$500 was voted the WSSF.

A proposal by the Liberal Arts Student Council that keys be given to two persons who contributed to "improved student-faculty relations" was defeated. It was objected to on grounds that it would set a precedent that would lead to complications in making similar awards in the future.

Senior class president Charles Pfeegor requested \$100, to be used to finance a class picnic. His request was approved, as were similar ones by Eugene Fulmer and Richard Sarge, junior and sophomore class presidents, respectively.

Cabinet then approved Fred Kecker's list of 10 men and 10 women students for All-College Cabinet Awards as outstanding seniors.

Daniel DeMarino, Assistant Dean of Men, then complimented the retiring Cabinet on its "fine cooperation and accomplishment." He especially commended president Robert Foote for a job "very well done."

In conclusion, Thomas Lannen,
