

AVC Requests No Cabinet— Change in ROTC

AVC passed a resolution, Wednesday night, calling on the College to continue its present policy concerning ROTC and returning veterans, said Chapter Chairman Earl Kemmler.

A committee consisting of Leo Troy, chairman, Robert Golden, John Mapes and Melvin Katinsky were selected to call on the "Committee on Academic Standards," stating AVC's position and opposing the recommendation of Col. Ben-Hur Chastaine.

The chapter also instructed its delegates to the National Convention to take the lead in inserting a World Government Plank in the AVC National Platform.

Ten dollars was voted to the Cance, Drive and the government was called on to put through a national health bill. The government is this way would assume the responsibility of subsidizing drives so that the public would not be continuously solicited for funds.
