PUBLISHED WEEKLY BY THE STUDENTS OF THE PENNSYLVANIA STATE COLLEGE

VOL. 25—No. 1

MONDAY MORNING, JUNE 30, 1947—STATE COLLEGE, PENNSYLVANIA

## 4000 To Register for Summer

### Registration at Rec Hall Today Sets All-Time High

More than 4000 students—an all-time high in the College's 38 years of Summer Sessions—will register today for Main Session, according to Marion R. Trabue, director of the Summer Sessions.

Registration for both twelve-week courses will be held on the main floor of Recreation Hall from 8 a.m. to 12 p.m. and 1:30 to 5 p.m. today. Application forms and catalogs will be available at the information desk, Rec Hall.

Classes for the Summer Session are scheduled to begin at 8 a.m. tomorrow. Those which were regularly scheduled for today will meet on Saturday, July 12.

### Summer Sessions Recreation Listed

An extensive recreation program for Summer Session students will start tomorrow under the direction of Earle R. Edwards, assistant football coach.

This program includes golf, tennis, riding, bridge tournaments, mixed swimming, hikes, picnics, four fun nights, and four dances over the six-weeks' session. Recreation directories for this week's activities will be distributed at registration.

Included in the directory will be information on use of tennis courts, golf links, and other activities. Every Monday thereafter a copy of the week's activities will be posted.

A mixed bridge tournament starts off the week's activities at White Hall, 8:30 p.m., Tuesday. Saturday, there will be a picnic at Whipple's Dam. Everyone interested should purchase tickets for 50c at Student Union by 4:30 p.m. Thursday and meet at Recreation Hall at 2 p.m. Sunday.

A hike has been planned for Sunday, starting at 2 p.m. from Recreation Hall, and a group sing in Schwab Auditorium is slated for Monday at 7 p.m.

Women may use White Hall swimming pool from 4 p.m. to 5:30 p.m. Monday, Wednesday, and Friday, and from 7 p.m. to 9 p.m. Tuesday and Thursday. A physical examination from the Dispensary is necessary as well as a \$2 fee payable at the Office of the Bursar.

Courses Must Be Approved Regular undergraduate students at the College must file their applications with the deans of their schools. All course programs must be approved by faculty advisers who will be present at the registration.

A student previously enrolled at the College will be required to present his matriculation card at the time of registration. Those who do not already have them may obtain them at registration.

Fees will be payable at the Office of the Bursar in Recreation Hall, from 9 a.m. to 4 p.m., July 10.

### Reports to Recorder's Office

All students who previously registered for the Inter-Session and the Main Session during the week of March 28 must report today to the Recorder's Office, 109 Old Main. Those failing to report will receive no credit, as it will be assumed that they are not on campus, William S. Hoffman, registrar, stated.

### Veterans Must Register

The pre-registration forms completed in June will not be sufficient for veterans to receive subsistence and book cards. They must register with the Veteran's Administration at the Armory on June 30 and July 1.

If the veteran wishes to have his transcript forwarded to another school he is required to pay his transcript fee to Miss Shirley Kline in 309 Old Main.

### Karver Wins Mile In Collegiates; NAAU Meet Next

Gerry Karver and Curt Stone, Penn State's distance duo, pulled through the National Collegiate track championships at Salt Lake City, Utah, last weekend, and are pointing for the National AAU meet at Lincoln, Neb., this week.

Karver added the NCAA mile crown to his growing list of track titles at Salt Lake City, while Stone placed second in the two-mile.

The Boyertown ex-GI defeated the cream of the nation's collegiate milers in 4:17, the slowest he's run since May 10, when he posted the fastest collegiate mile in five years.

Stone, who holds nearly every other two-mile title in the book, missed the NCAA diadem at Salt Lake, placing second to Jerry Thompson of Texas in 9:22. Horace Ashenfelter, the forgotten man of Penn State distance men, finished sixth in the two-mile run.

### 500 Attend Rites Of Dean Whitmore

More than 500 students, faculty members, and other associates attended funeral services in Schwab Auditorium Thursday morning for Dean Frank C. Whitmore, of the School of Chemistry

and Physics, who died suddenly of heart failure Tuesday. Dean Whitmore was buried in Centre County Memorial Park.

Frizzell Conducts Ceremonies

Chaplain Emeritus John H. Frizzell, who conducted the services, described Dean Whitmore as "one of the most simple-hearted persons I have ever known."

Dean Whitmore, said Frizzell, made conspicuous and well-recognized contributions to both World wars "but he was far hap-

### 1200 Coeds Fill Campus Living Units for Summer

All campus living units with the capacity of 1200 people will be completely filled, according to the Dean of Women's office.

Atherton, Women's building, and the Tri-dorms are housing single women. Married couples will live in McAllister Hall, and Grange will take care of women attending special conferences.

All sorority houses which will accommodate married couples with children are open during the Main Session. Single women are also staying at the Sigma Nu and Alpha Tau Omega fraternities with the remainder of the single women residing in town dormitories and private houses.

Several fraternity houses will be open for men during the summer as well as Pollock Circle dorms 1, 2, and 10-14.

Meal tickets for six weeks at \$54 may be purchased at registration for Atherton and McAllister Hall. The Sandwich Shop in Old Main will continue serving meals for the summer without meal tickets.

### Piano Team Opens Concert Series

Series tickets for four summer artists course concerts go on sale at registration headquarters today at \$2, tax included, and thereafter at the office of the Director of Summer Sessions. Individual tickets may be purchased on the night of the performance at 75c.

The opening number on July 10 stars the Yaysnoff sisters, June Tanya and Iris Alexandrovna, composer-pianists. The sisters use largely their own arrangements of which there are more than 300, and include Prokofieff, Shostakovich, Gershwin, and a number of the modern Latin-American composers.

Featured on July 17 are the Russian Stars of Opera under the musical direction of Antin Rudnitsky. This quartet is composed of singers who have appeared with well-known opera companies and orchestras.

Performing on July 24 will be Dorita and Valerno, Spanish Flamenco dancing team.

Susan Reed, who has won considerable renown in New York by popularizing Appalachian mountain songs, brings the series to a close on July 31. Miss Reed also sings lyrics from England, Scotland, and Ireland, playing her own accompaniment on the Irish harp or zither.

### Part-time Jobs Open To Summer Students

Students desiring part-time employment during the summer sessions should file application with the Personnel Relations Office, 423 Old Main, according to Mary Frances Gregory of the College Placement Service.

Child care during the day, baby sitting in the evening, housework, and outdoor jobs are the ones in greatest demand at present. Waiters, however, are the least in demand. Typists and stenographers who can work regular hours are always needed.

The Kramer and Baton construction companies have put in application for men desiring to do manual labor with good pay. There has also been a call for several experienced men to do engineering drawings.

### Trustees Name Weston Dean; Approve Faculty Appointments

Dr. Pearl O. Weston was named dean of women, effective tomorrow, at a recent meeting of the Board of Trustees. She had been acting dean since September of last year.

She succeeds Charlotte E. Ray, who retired a year ago after 23 years of service in this capacity. Dr. Weston had joined Miss Ray as an assistant four years ago.

A graduate of the College, the new dean was associated with the Pittsburgh board of education for many years during which time she worked on a new course of study for the Pittsburgh public

PEARL O. WESTON

schoools and assisted in selecting textbooks to be used. New Agronomy Head Herbert R. Albrecht, a gradu-

ate of the University of Wisconsin, and formerly a member of the staff at Alabama Polytechnic Institute and Purdue University, was appointed professor and head of the agronomy department, effective September 1.

Gordon H. Pritham, a graduate of Penn State, and since 1938 head of the department at the University of Scranton, was named as associate professor of physiological chemistry, effective September 1.

### Administrative Assistant

Frank F. Morris, a graduate of Penn State, and since 1945 personnel officer in charge of the Personnel Relations Office, as administrative assistant in the office of the Assistant to the President, in charge of Business and Finance, effective June 1.

Jesse S. Doolittle, associate professor of mechanical engineering, and a member of the faculty since 1931, resigned to accept a position as professor of mechanical engineering at North Carolina State College. His resignation becomes effective today, and he will assume his new position for
