Dorm Excavations. Mother Follows Son **New Vet Housing Near Completion**

Progress on the construction of permanent and temporary buildings on the campus was reported today by George W. Ebert, superintendent of grounds and buildings at the College.

Excavation for the two women's dormitories under construction on east campus is almost completed, Ebert said, and work has started on the sub-foundations for the buildings. The dormitories project, which will cost \$6,000,000, will provide housing and dining facilities for 1000 students when completed.

In the area north of Pollock Circle, the steel framework for 14 of the 25 semi-permanent dormi-tories that will house 1000 veterans has been erected for occu-pancy this Fall.

These buildings, fire resistant, are of steel framework with a concrete foundation and floor, plaster partitions and cemesto board on the outside walls and roof. The floor covering will be asphalt tile.

The general design of the new The general design of the new dormitories is a rectangular shape in comparison to the T-shaped Pollook Circle buildings. Each doffmitory will house approximately 44 veterans in single and double rooms. There will be a lounge in each unit with a pay phone off the lobby.

Plans are underway to have a soda bar, vending machines for cokes, cigarettes, candy, and sandwiches in a canteen. Also in this unit there will be the post office, four ping-pong courts, two com-Continued on page eight)

Council Petitions Code Amendment

Inter-Fraternity Council has petitioned the Senate Committee on Student Welfare to hold a meeting in an effort to change the present college regulation prohibiting women students from entering fraternity houses, Willard Agnew, IFC president, said yesterday

As an alternative the IFC will ask the committee to extend the dating privileges under the IFC code for unchaperoned dating to include the summer sessions as well as regular semesters.

To Classroom-As Student

Of the hundreds of women attending Summer Session classes, only one of them has her son, a graduating senior, studying here

at the same time.

Mrs. Doris Von Nieda, mother of senior Whitey Von Nieda, professional basketball player and former State star, is taking, courses in sociology and English

literature this summer.

Mrs. Von Nieda graduated from
Millersville State Teachers College twenty-six years ago and taught school for two years until her marriage. When World War II came along, Mrs. Von Nieda helped ease the teacher shortage by teaching four years, Following her decision to attend the College this summer, she tried to per-suade her husband to accompany her, but he felt that he couldn' spare the time from business.

Weston Assigns Campus Rooms

Campus room assignments for women students and married couples remaining for the Post Session began yesterday and can be made in the Dean of Women's office from 8 to 12 a.m. and 1:30 will occupy the sorority cottages, said Miss Pearl O. Weston, dean of women.

Grange Memorial Dormitory will be open to all women students planning to attend the sixweek Post Session, while those remaining for the first three-week period will be assigned to Woman's Building.

Caps and Gowns

Students who expect to graduate at Summer Sessions commencement on August 9 will order caps and gowns in the basement mailing room, Burrowes, from 1:30 to 4 p.m., July 22 or 23. Information on rental charges will be announced later by the Summer Sessions office.

In a special telegram to the Collegian, the governor stated that his reductions in appropriation to Penn State were because Duff allotted \$8,3 amounts reduced were all in excess of his budget recommenda-tion and the amounts approved were larger than his original budget recommendation.

Building Funds Slashed \$5,250,000 to Meet Budget

monwealth budget.

Hardest hit was a \$6,000,000 appropriation for construction of temporary housing facilities for veterans and continuing the College's long-range building program for classroom and dormitory facilities. The bill was cut to \$750,000.

The governor approved \$8,750,-000 for general maintenance and operations of the College which was a reduction of \$402,000 from the amount recommended by the legislature.

that his reductions in appropriation, tion to Penn State were because of insufficient state revenue. The eral maintenance and approved

Dahle Research Wins Dairy Award

The Borden Award, one of the highest in dairy manufacturing research, has been presented to Dr. Chester D. Dahle, head of the dairy manufacturing staff at the College, by the American Science Association. The medal was accompanied by a check for \$1,000.

The 16 points gleaned from Dr.

Dahle's busy career in the citation included reports on many of his recent contributions to the dairy industry. He has published over 95 scientific articles and is widely known for his research in the field of ice cream manufac-

the maintenance requirements for the next two years as a result of Gov. James H. Duff's five-million dollar cut in the Penn State appropriation for 1947-49.

Dr. Ralph Dorn Hetzel, president of the College, announced this in a special letter to the Collegian today. No details were given regarding the amount of the increase.

Sum Below Demand

"The State has made appropriations to the College for this purpose during the years, but the sums provided have never beer. adequate enough to care for the rapidly expanding demands of the people of the State upon the College for service," Dr. Hetzel said.

Dr. Hetzel pointed out that the Governor's budget cut will not seriously affect the enrollment of the present College construction, but that the long-range Penn State expansion plan will be sharply curtailed.

Gov. Duff, Dr. Hetzel said, recommended no funds for buildings for higher education in his budget message. The Governor reduced the appropriation the Legislature made from \$6,000,000 to \$750,000, allowing this amount to the College in excess of his budget recommendations. Dorms Will Go Up

The \$750,000 will be helpful in completing the immediate con-struction at the College, and the temporary dormitories and hous-ing units will be constructed as planned in addition to the wom-(Continued on page eight)
