

# Footballers Drop IM All-Stars After 12 Innings Without a Run

By George Harrison

Before an enthusiastic crowd of softball fans on Tuesday evening, the sluggers of the Football House finally defeated the I. M. All Stars 6-1 to bring to a close one of the liveliest Summer Softball Leagues, the Summer Sessions has yet to produce.

The victory was Ray Ulinski's seventh win of the season against no defeats. The All-Star game originally started last Thursday evening, but had to be called after 12 scoreless innings because of darkness.

Again this Tuesday it was beginning to look as though the same performance was to be repeated when the fifth inning had been reached and still no score.

**Home Runners**  
However this assumption was short lived when the All-Stars Johnny Kupetz of D. U. stepped to bat and slugged a home run, putting the All-Star team out in front, 1-0.

The big bats of the Football House were not to be denied however, for in the last of the sixth inning the powerful griders finally brought six runs across the home plate after 17 straight scoreless innings. The six runs were scored by Wore, Simon, Sulk, Hummel, Taggart, and Hoggard.

Both of the All-Star games produced a terrific pitching duel between Ray Ulinski and Lyle Koenig of D. U. who even in being defeated looked mighty fine. **Outstanding Pitching**

The pitching was not only outstanding, but the infield and outfield play of both teams was way over average. Leary, of Phi Delt was an outstanding catcher for the All-Stars. Giombetti of Alpha Phi Delt played a fine game at third bases as did Husted of Phi Gam, Phi Delt Sheehee and Castefero of J. E. M. in the out-

## Jerry Smith Defeats Jack Harper In All-College Golf Final Play

Jerry Smith, the hard driving Lion varsity golfer, defeated his teammate, Jack Harper II, in the finals of the first night in the All-College golf tournament last week.

Smith again came from behind as he had been forced to do in his match with Don Hart. It was in the last nine holes of the 18-hole match that Smith put the pressure on his opponent and won by the score of 3 and 1.

### PLAYERS AT JOHNSTOWN

After winning the championship here at school, Smith traveled to the Johnstown tournament this past weekend and took second place in that tournament. Jerry, however, did not mind losing this one as the winner was his younger brother, Tommy, who expects to enroll at the College in the near future.

The highlight of the tournament, however, still belongs to Jerry as he had a hole in one in his final match. To top off a perfect golfing week, Smith received an invitation from Fred Waring to play in the Shawnee Tournament next month.

In the second night of the College Tournament Larry Rothstein had defeated Art Evans to win the championship in that flight. Rothstein won, 4 and 3.

### KIMBLE WINS IN FLIGHT 5

The championship in the third night went to Reggie Kimble who defeated Bob Snadley in their final match. It was a close and well played match with both boys going all out to win.

Bob Schettig defeated John McLean in the final play-off for the championship in the fourth night. In the final match of the fifth flight Bob Weiss beat K. E. Park, 2 and 1, to win the championship honors. The sixth flight championship went to Bob Wood who defeated Dave Kistler, 1-up.

field spots. Cullison took care of the second base and Phi Delt Giles and Beta Bud James shared honors at first base.

A Phi Delt Paparelli played his usual steady game at short stop for the All-Star team. There was no outstanding player on the Football House team. All played heads up ball which so ably carried them to the Championship and an undefeated season.

### Takes Championship

The Football House defeated Alpha Phi Delta in the second game of the play-off series for the championship of the summer

softball tournament. The grid-ders won the game by the count of 8 to 5, and the victory was the sixth straight and gave them an undefeated season. It was manager Ray Ulinski's sixth pitching victory in as many starts.

Besides the fine pitching Ray stepped up to the plate in the 4th inning and belted out one of the longest home runs hit this season. However in the hitting department the credit must go to Merve Wolf who had four hits in as many trips to the plate which included a homer.
