

Barney Ewell Wins Dash Short of Record

Barney Ewell, former Penn Stater running for the Shanahan Catholic Club of Philadelphia, retained his NAAU 200 meter crown at Lincoln, Neb. in June. He placed second to Bill Mathis of Illinois in the 100 meter dash. He ran a :09.6 hundred and missed a world record by three-

tenths of a second in the Middle Atlantic AAU's held at Harrisburg the week before. Also in Harrisburg in an exhibition 300-yard run, Ewell spotted his opponents from five to seven yards and ran a 30.5, just missing Charlie Paddock's world mark of 30.2.

Leo Nobile

Leo Nobile Signs Redskin Contract

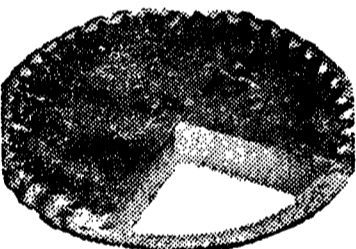

Leo Nobile, Penn State guard who still had a year of eligibility left at the College, has signed a contract to play for the Washington Redskins of the National Football League for the 1947 season.

The announcement had perplexed Nittany Lion Coach Bob Higgins since the National Football League had previously announced that it would not sign any college players who were still eligible to play this fall.

Bert Bell, commissioner of the NFL, stated that the Nobile deal was not a violation of the league's ruling. "Nobile actually signed some time ago, before our new rule was adopted," said Bell.

It was reported that Nobile had signed a Redskins contract last February after receiving an offer to join the Pittsburgh Steelers.

Athletic Board Rejects Bowl Bid For Boxing Team

Anti-Negro legislation contained in the Louisiana boxing codes prompted the Athletic Advisory Board during the latter part of July to reject an invitation extended to the Penn State boxing team to participate in the annual New Orleans Sugar Bowl Carnival in December.

Sponsored by the New Orleans Mid-Winter Sports Association, the Sugar Bowl classic was to have included a match between the Lion boxers and a Michigan State squad on December 29.

Law Restricts Negroes

Although there are no Negro boxers on the squad at present, the Bowl bid was rejected on the basis of a clause contained in the invitation which stated that "because of Louisiana boxing law which prohibits mixed competition, it is understood that no Negroes will be members of the State College team."

In commenting on the board's refusal to participate in the tourney, Dean Carl P. Schott, Dean of the School of Physical Education, said, "It is the policy of the College to compete only under circumstances which will permit the playing of any and all members of its athletic teams."

Eight Boxers Invited

A team of eight boxers headed by Captain Jackie Tighe, holder of the 165-pound Eastern Intercollegiate Boxing title, was to be accompanied to the meet by a trainer and Coach Leo Houck.

In rejecting the New Orleans' invitation, the Advisory Board, in effect, reiterated the College's stand on any type of discrimination in athletics. Last November's cancellation of the football game with the University of Miami, as a result of the Florida school's refusal to participate if Negro players were allowed to play with the Penn State squad, was the most recent statement of principle along this line.

In a telegram to the Sugar Bowl committee, Neil M. Fleming, former graduate manager of athletics, stated:

"Regret to advise our Athletic Board disapproved acceptance of your invitation to participate in boxing meet with Michigan State during your Sugar Bowl Tournament. Appreciate your invitation and am sorry that present situation made favorable decision difficult."

Ken Yount Joins Brother As All-American Rifleman

Named to All-American rating by the National Rifle Association during the summer, Ken Yount, captain of the Penn State rifle team, joined the All-American ranks with his older brother, Capt. Harold W. Yount, coach of the Nittany Lion nimrods.

In announcing the younger Yount's award, the Rifle Association reported that Yount's score of 277 in the sectional competition at Pittsburgh in March entitled him to the All-American honor.

Hal, co-captain of the Lion team as an undergraduate, won his All-American laurels in 1942. Ken fired a 385 at Annapolis that year and would have placed third in the competition, except that he was a freshman and therefore ineligible for All-American consideration.

John Pfirmman

Pfirmman Awarded Paul Smith Trophy

John Pfirmman, 24-year-old owner of the Purple Heart and Air Medal with four clusters, has been named the first winner of the Paul Smith Memorial Trophy at Penn State.

The trophy was created by student subscription in dedication to Paul Smith, war veteran and boxing captain, shortly after he died.

It is awarded on the basis of scholarship, character and all-round athletic ability. Only graduating seniors in the School of Physical Education and Athletics are eligible for the award.

Junior Varsity Athletics Fill Frosh Sports Void

A program of junior varsity athletics has been inaugurated for the coming year to fill the void caused by the elimination of freshman sports, athletic officials announced.

A schedule has already been drawn up for the JV grid team, and varsity line coach Jim O'Hora has been chosen to be its mentor.

The JV footballers have a four game schedule which includes Syracuse, Oct. 17; Navy, Oct. 24; Colgate, Nov. 8; and Bucknell, Nov. 14.

Plans are already underway to provide coaching, equipment and schedules for at least two other sports, said Dr. Carl P. Schott, dean of the School of Physical Education and Athletics. Others will follow as the program gathers momentum in 1948 and 1949.

Gridders Pocket IM Softball Crown

A bevy of power hitters and consistently tight pitching of speedballer Ray Ulinski combined to enable the Football House to snatch the summer intramural softball diadem from ten other independent and fraternity aggregations.

Undeclared winners of League I competition, the gridders downed Alpha Phi Delta, League II champs, by scores of 8-5 and 3-0 in the two league playoff games, and then went on to thump an intramural all-star squad by a 6-1 count in a post-league play-off tiff.

Twirling flawless ball, Ulinski led the Football House to a summer record of seven wins and no defeats. Softballers Milt Simon, Clarence Hummel, T. J. Wolfe, and Ed Taggart wielded big bats for the winners throughout the season.
