### Reds Veto Again

**LAKE SUCCESS**—Russia for the second time has blocked Italy from membership in the United Nations by use of the veto. The Soviets followed that veto with another, barring Finland from membership. Three other former enemy countries, Hungary, Romania and Bulgaria, failed to gain admission when their applications did not get the required seven votes.

### Austin Hits Bulgaria

**LAKE SUCCESS**—Bulgaria found itself approved and disapproved in two American statements yesterday. The approval was limited in a sense. The United States restored Bulgaria to full diplomatic recognition, but at the same time, the American UN delegate, Warren Austin, was arguing against admission of the Balkan nation to UN membership.

### Food Group Advises

**WASHINGTON, D.C.**—The Citizens Food Committee has expanded President Truman's conservation slogan to read "Buy wisely, eat sensibly and waste nothing." On the practical side, Chairman Charles Luckman says his committee is thinking about meatless days and less use of grain by liquor makers.

### Welles vs. Welles

**HOLLYWOOD**—Red-haired Rita Hayworth sued her actor-producer husband, Orson Welles, for divorce.

### Air Force Promotes

**WASHINGTON, D.C.**—The Air Force promoted 13 high officers yesterday and demoted its command to fit its new status as an independent striking arm. The promotions give the Air Force four full generals. The new vice-chief of staff under General Carl Spaatz will be Lieutenant General Ray Vandenberg who got his fourth star today.

## Club Presents British Film

The International Film Club in cooperation with Warner Brothers will present the British film "Great Expectations" at the State Theatre, Friday, Saturday and Monday.

According to Dr. George Szasz, who is replacing Dr. Edward Abramson as head of the club, "Great Expectations" is a truly good movie and one worth while seeing. The film is a dramatization of a Charles Dickens' novel, "Odd Man Out," the English film starring James Mason, will be brought to State College October 8 and 9 by the club. The characterizations and acting are excellent, and James Mason needs no introduction to American audiences, said Dr. Szasz.

The International Film Club was organized in the Spring of 1944. At that time the movies were shown on campus. Lack of finances caused it to become inactive until last semester when Warner Brothers offered to bring the films to the movie houses in State College.

## Lion Football Coaches Will Explain Game Films

Lion football coaches will be on hand to explain the movies of the Penn State-Washington State football game in 119 New Physics at 8 o'clock tonight.

All students are invited to see the film of the 27-6 game between the Lions and the Pacific coast team played in the Hershey Stadium September 20. Two showings will be held.

Plans are being made to present similar movies on future Thursdays following football games. Ray Conger handles the film showings which are sponsored by the Student Recreation Committee and the School of Physical Education.

## Yanks Win 10-3 In Second Game

**NEW YORK, Oct. 2**—(AP)—The New York Yankees hit with bruising power and the Brooklyn Dodgers fielded with numb fingers yesterday as the Yanks bowled over the Brooks, 10 to 3, in the second game of the World Series.

A sellout crowd of 69,865 fans at the Yankee Stadium saw the New Yorkers go out in front for baseball's blue ribbon, two victories to none.

The series now will move to Brooklyn for the third and fourth games today and tomorrow and—perhaps—a fifth game on Saturday.

The Yanks slugged merrily away at the offerings of four Dodger pitchers, who had added difficulties in the form of feeble Flatbush work in the field. The Dodgers made two errors that went into the box score—miscues by Pete Reiser and Ed Stanky. But the Brooks had several other mishaps, including a bunt that rolled past Jackie Robinson, a fly ball that fell for a double as outfielders Reiser and Hermanski and shortstop Reese watched it, and another ball hit to Robinson on which nobody covered second base to take a throw. In addition, Pete Reiser misjudged a fly ball into a triple and pitchers Hank Behrman and Rex Barney turned loose wild pitches.

All the Yankees, except catcher Yogi Berra, had a part in the 15-hit carnival. Little Snuffy Stirn—

## 'Love Penn State' Says Typical Soph Coed

An attractive smile, sparkling blue eyes, light brown hair and five feet, eight and one-half inches of feminine pulchritude all add up to the typical sophomore coed in the person of Jean Murphy, who hails from Pittsburgh.

Jean was dubbed "Typical Soph Coed" during the Fun Night proceedings at Recreation Hall last Saturday night. She spent her freshman year at Lock Haven State Teachers College, but now graces the main campus and lives at the Davey House.

The "fledgling queen" as represented by Miss Murphy is unmarried, likes the Corner Room when she can find a booth, prefers skirts two to three inches below the knee and "loves Penn State."

## Student Cabinet Convenes Tonight

Student government will begin its fall semester functions when All-College Cabinet holds its first meeting in 201 Old Main, 7 o'clock tonight.

Representatives of the student body and the administration will gather to discuss student affairs, of which Cabinet is in charge, in the initial bi-weekly conclave.

The agenda for tonight's meeting may be found on Page 2, in the Letters to the Editor section.

All-College Cabinet is presided over by All-College President Tom Lannen, assisted by a non-voting parliamentarian, Harris Gilbert.

The actual governing body consists of Lannen; Robert Troxell, All-College vice-president; Eugene Fulmer, All-College secretary-treasurer; Ed Banyal, senior class president; Martin Baum, junior class president; Willard Agnew, IFC president; Mona Smulyan, Pan-Hellenic Council president.

Frank Tidona, IMA president; Betty Gibbons, IWA president; Suzanne Romig, WSGA president; Lee Ann Wagner, WRA president; Jack Tighe, Men's Athletic Association president; Allan Ostar, chairman of the Board of Publications.

Representatives of the councils of the Schools of Agriculture, Chemistry and Physics, Education, Engineering, Liberal Arts, Mineral Industries, and Physical Education and a representative of the Board of Dramatics and Forensics.

**Ex-Officio Members**  
Ex-officio members include Arthur R. Warnock, dean of men; Pearl O. Weston, dean of women; Ridge Riley, secretary of the Alumni Association; and George L. Donovan, manager of Student Union.

After sophomore elections the newly-elected president of the sophomore class will take office as a voting member of the Cabinet.

## Penn State Engineer

The price of the Penn State Engineer has been raised to \$15, but students holding subscriptions from last year will continue to receive copies at the old rate.

## Rally Moves To Old Main

Penn State's football pep rally goes on at 7:15 o'clock tomorrow night on the front steps of Old Main rather than at Lion Shrine, Hat Societies Council said last evening.

Old Main's steps were selected as the location because of the nearer proximity of the site to dormitories and the downtown section.

This first rally of the 1947 football season will be preceded by a street parade led by the marching Blue Band and cheerleaders. The parade will leave Phi Sigma Kappa on S. Allen street at 6:45 p.m. and proceed to Old Main by the way of the Locust Lane area, Atherton Hall and the Corner. The procession will move past the power plant to the Phi Gamma Delta house; thence to the rally site.

"Meet the Team" will be the theme of the student mass meeting and Coach Bob Higgins and his varsity squad will be introduced by Tom Lannen, All-College president, the master of ceremonies.

Hat Societies Council slated the rally for 7:15 p.m. to enable the attendance of the greatest number of students, said Bob McGregor, Parmi Nous president. He said the rally will be completed early enough to allow further social activity Friday night.

## Group Studies Sunday Movies

The issue of Sunday movies for State College was discussed by a citizens' committee composed of representatives of 29 State College organizations at a meeting held in the High School library Tuesday night.

Although the group did not enter into a discussion of the relative merits or demerits of commercial movies on Sunday, a committee was appointed to prepare and issue statements to the public explaining "exactly what a 'yes' or 'no' vote will mean."

Tuesday night's meeting was the initial business session on the movie question with the State Council of Churches acting as host to the representatives of the organizations.

The citizens' committee was formed "to clarify and call to the attention of the public that a vote will be taken on the question of Sunday movies at the November election."

Present at the meeting was a State College attorney who advised the committee on the legality of wording which is scheduled to appear on the ballot in November. He said that the question will be stated exactly as required by the state legislature.

## 'Kon-Tiki' Personnel Arrives on West Coast

The six men of the "Kon-Tiki" expedition, who sailed from Peru to the Polynesian Islands on a pre-Incaic balsa raft during the summer, have arrived in this country, Gilbert L. Crossley, assistant professor of electrical engineering at the College, has been informed.

During the expedition which started on April 29 and terminated August 13, Station W3YALMA, with Crossley in charge, served as the main key station for the "Six Men on a Raft." The men, headed by Thor Heyerdahl, 33-year-old Norwegian ethnologist, were picked up at Tahiti by a Norwegian passenger ship. A reception for them will be held at the Norwegian Embassy in Washington on Saturday night.

## Fall Enrollment Breaks Record

A record enrollment of 8,127 students are attending fall semester classes according to the late figures released by the registrar's office at 4 p.m. yesterday.

This figure is already 122 more than the pre-registration estimate. Final tabulation of the enrollment will not be possible until late this week, or early next week.

However, it is estimated that there are 3,100 students attending the centers. If this estimate is correct, it will swell the enrollment to 11,000—the highest in College history. The previous record enrollment of 10,397 was established last year.

The College operates centers at state teachers colleges at Bloomsburg Cheyney, California, Clarion, East Stroudsburg, Edinboro Indiana, Kutztown, Lock Haven Mansfield, Millersville, Shippensburg, and Slippery Rock; Gannon College at Erie; Keystone Junior College near Scranton; St. Francis at Loretto; York Junior College at York; Dickinson Junior College at Williamsport; Swarthmore, the undergraduate center at Altoona, DuBois, Hazleton and Pottsville; and the Pennsylvania State Forest School at Mount Alto.

## PSCA Sponsors Forum To Discuss Rising Prices

"Why the Rise in Prices?" will be the topic discussed at an open forum sponsored by the public affairs commission of PSCA, in 304 Old Main at 7 o'clock, tonight according to Jean Moore and John Hamer, co-chairmen of the commission.

Dr. William Hench, professor of economics, will lead an open discussion on the subject following the two movies to be featured as background material. "Distributing American Goods" and "Which Way This Time?"

## News Briefs

### PSCA Publicity

Students interested in working on the Publicity committee of PSCA are requested to attend a meeting in 405 Old Main at 7 o'clock tonight, announced Ralph Temples and Joanne Hobbs, co-chairmen. Anyone interested in any of the various phases of publicity work such as typing, mimeographing, stenciling, poster painting and writing is needed.

### Chemical Society

The Liebig Chemical Society will hold its first meeting in the Alpha Zeta house at 7:30 tonight, said Carl Widmer, president. Dr. R. Adams Dutcher will welcome all members and help set up tentative plans for the semester.

### Chess Club

The Chess Club will hold its first meeting of the semester in Room 7 of Sparks Building at 7 o'clock tonight, announced Marion Schwimmer, club president. All interested in playing or learning to play chess are invited, and to bring a chess set if possible.

### Bridge Club

Old and new members of the Penn State Men's Bridge Club are requested to attend a meeting in 405 Old Main at 8 p.m. today, states Clarke F. Wahl, president. Officers for the year will be elected, and plans for future tournaments will be drawn up.

### Women's Groups

Junior Service Board and Cwens will participate in the Bucknell pep rally Friday night, said the two presidents Nancy Ault and Sally Henry. All members are requested to wear their hats.

## Call for Candidates

Candidates for the business, editorial, art, or photography staffs of Froth will meet in 2 Carnegie tonight.
