

Thetas Penalized By Panel Judicial

Kappa Alpha Theta was deprived of all rushing privileges for the remainder of the current rushing season, because of illegal rushing. This action was taken by the Panhellenic Judiciary Committee yesterday, said Mona Smulyan, President of Panhel.

The penalty for violation of the rushing code forbids all informal contacts today and tomorrow, the party tonight, and the coffee hours Sunday.

The sorority, however, will be permitted to bid Sunday and to pledge Monday, the same as all other sororities.

**100,000th Patient
In Hospital for Free**

Harris Johnson of Harris was not quite prepared for the treatment he received when he entered Harris Hospital Lumbermen last night as a patient.

He had expected to pay his bill. He was told there would be no charge for his stay there. Hospital covered his bill.

Rightists Gain!

WILL YOU BE THIS LUCKY OR—

— will your trip to the hospital mean big bills? Hospitalization means big bills for room and board, X-rays, anaesthetics, and so on—and you can't rely on being as lucky as the "100,000th patient."

Your best protection is hospital insurance and Lumbermen's new Personal Hospital Expense Policy offers you this protection. This modern, simplified policy provides:

- Increased daily benefits—up to \$10 per day for hospital room and board.
- Five times the daily benefit for other hospital expenses—on a blanket basis, not limited to certain items.
- Liberal surgical fees based on type of operation and daily benefit. (Optional.)

The services of this agency are always available to help you get broad protection at low cost. Consult us for full details on this new hospital policy.
