Cwens To Tap 25 Outstanding Coeds At Annual Ceremony

Requirements for being tapped for Cwens are a 1.5 all-College average and two major activities. This year, since all sophomore women attended other schools their freshman year, both their activities at these other schools and ones they have become active in at the College are taken into consideration.

Only girls who attended Penn State centers or teachers colleges are eligible to be tapped by the College's Delta chapter of Cwens, added Miss Henry.

Are you dough-shy? Get us! We give the stuff away. Folding money, too. Yes sir, Pepsi-Cola Co. pays from \$1 to \$15 for gags you send in and we print. Why worry about an honest living? This is easier. Just send your stuff, along with your name, address, school and class, to Easy Money Department, Box B, Pepsi-Cola Co., Long Island City, N. Y. All contributions become the property of Pepsi-Cola Co. We pay only for those we print.

There's nothing to it—as you can see from the samples below. If, by coincidence, the words "Pepsi-Cola" turn up somewhere in your gag, don't worry about it. We don't mind. (Matter of fact, we kind of like it.) So start your stuff in now—for Easy Money.

GOOD DEAL ANNEX

Sharpen up those gags, gagsters! At the end of the year (if we haven't laughed ourselves to death) we're going to pick the one best item we've bought and award it a fat extra

\$100.00

LITTLE MORON CORNER

Our well-known moron-about-campus, Murgatroyd—now a student in the school of agriculture—has developed a new theory on sheep-feeding. He makes a daily ration of Pepsi-Cola an important part of their diet. "Duuuuuuuh, of course," said Murgatroyd recently, when questioned as to his reasoning, "everybody knows that Pepsi-Cola is the drink for ewe!"

\$2 apiece, believe it or not, for any of these we buy!

Get Funny . . . Win Money . . . Write a Title

This is easy as falling off a log. A small log, that is. Just send us a caption for this cartoon. The best line gets \$5. Or you can send in cartoon ideas of your own. For cartoon ideas we buy, we pay \$10 apiece . . . \$15 if you draw them.

HE-SHE GAGS

If you're a He, and know a She—or vice versa—this should be your meat. Here's your chance to strike a blow for the home team in the battle between the sexes—and maybe win three bucks besides!

He Ubangi: I hear that Mbongo has left his wife.

She Ubangi: Really? Why?

He Ubangi: He says that every time she drinks a Pepsi, she smacks her lips, and he can't stand the clatter.

He: Why do you call my date "Pepsi," when her name is Betty?

She: Oh, we all call her "Pepsi" because she goes with anything!

He: I never knew what real happiness was until I married you.

She: Darling!

He: Yes, and by then it was too late.

Three bucks apiece for each of these we print. Let your conscience be your guide.

Daffy Definitions

Here's a column that must have some deep underlying significance. Darned if we know what, though. All we know is that these rate a buck each—and the daffier, the better.

Frustration—having a Pepsi-Cola and no bottle-opener.

Stork—bird with a big bill.

Professor—textbook wired for sound.

Thirst—obsolete term; dates back to pre-Pepsi-Cola era.

Cooperation—one bottle of Pepsi with two straws.

Paying \$1 apiece for these is like giving you a license to commit burglary. But—\$1 apiece for those we buy.
