

## Lyons Adds Another Week To WSGA Christmas Drive

The Women's Student Government Association's annual Christmas drive is being extended until the end of the week to enable more persons to contribute to this work, Janet Lyons, chairman of the drive, said today.

To date only \$260 has been collected of the \$450 goal. Money received by this drive is divided among the Mifflin County Children's Aid Society, the American Women's Hospitals, and the Estelle Hetzel Emergency Fund, started by Mrs. Hetzel to provide financial assistance to any student at the College.

Coeds are contacted for donations in their living units by a dormitory representative working with Miss Lyons. Town girls, coeds living in the practice houses, Windcrest wives, and those commuting are asked to bring their contributions to the Dean of Women's office.

Little red chimney donation boxes are also placed at Student Union, Atherton Hall and the Corner Room, said Miss Lyons. If each coed gives 30 cents to the drive, this year's goal of \$450 can be realized.

For the past eight years donations to the drive have been divided among the organizations listed above. In 1939 a total of \$196 was collected; \$253.50 in 1940; \$127.80 in 1941; \$261.90 in 1942; \$408.57 in 1943; \$527.25 in 1944; \$550 in 1945 (which also included the United China Relief, Inc.) and \$366 last year.
