Dallas Notes

SMU's Doak Walker celebrated his birthday New Year's Day but the Nittany Lions' Elwood "Pitch-in" Petchel stole some of his fire by tossing two touchdown passes. ...The Mustangs' Gil Johnson, who alternates with Walker in the passing chores, had the same high school coach as did the professional passing star, Sammy Baugh.

Lion backs Larry Cooney and Wally Triplett were the bulwarks of State's downfield defense against Mustang aerials... However, coaches and players don't hesitate to say that the best defense against passing is a fast-charging, alert line; the Nittany forward wall excelled in this department most of the game... SMU passers, who boasted a season completion mark of 55 percent, had to be content with finding their mark 11 times in 25 attempts for a percentage of 44 against State's defense, best in the land over the nine-game regular season.
