## College Requests Sororities Reserve New Dorm Suites

All sororities are requested to fill out and send in their questionnaires stating if they wish to register for a suite in the new women's dormitories to H. W. Loman, director of dormitories and dining commons, in Old Main, today.

If a sorority neglects to send in the questionnaire it will be assumed that it does not want a suite, said Mr. Loman.

Since all the present sorority houses are condemned and will have to be disposed of eventually, plans have been arranged for 16 suites to be set up in the new dorms if that many sororities express a desire for one. If all 19 sororities want suites, the present ones in Women's Building, and possibly Grange or Atherton Hall will be used.
