**Classes Battle In Basketball**

WRA Interclass basketball tournament held each year began Monday night with a game which resulted in the seniors defeating the sophomore team by a score of 17 to 19 and the junior A team winning over the junior B team by a 27 to 24 score.

Interclass teams were chosen by the WRA Intramural Board from the girls who played last semester in the intramural games. There is one senior and one sophomore team and, because of the greater number of girls playing, the juniors are represented by two teams.

Teams for the Army-Navy games to be played later this month will be selected from those who participate in the interclass games.

In the games remaining to be played the seniors will meet the junior A team and the junior B's will oppose the sophomores. Tonight the seniors will play the junior B team while the junior A's meet the sophomores.
