## Record Success Story!

RCA Victor's rising star of the keyboard  
— Larry Green — scores another hit . . .  
"GONNA GET A GIRL"

**CAMEL**  
is the  
cigarette  
for me!

WITHIN the past few months, Larry Green has climbed right up with the top bands of the land! If you ask Larry how he did it, he'll light up a Camel and say: "Experience is the best teacher in the band business — and in cigarettes. I know from experience that sweet music suits my band, just as I learned from experience that Camels suit my 'T-Zone' to a 'T'!"

Try Camels! Discover for yourself why, with smokers who have tried and compared, Camels are the "choice of experience"!

And here's another great record—

More people are smoking **CAMELS** than ever before!
