

# Between the Lions

By Dave Adelman

Little Milt Simon just missed getting a permanent niche in the Rec Hall record books, Saturday night, when his 21 points fell a foul short of Jack Biery's three-year-old mark.

The aggressive half-pint forward, who made Nelson Lobb, Philadelphia's number one basketball player, take a rear seat when the Nittany Lions inched out a 64-62 triumph over the Temple Owls, would have joined such record holders as Biery and Bruce Dietterick.

### NEW RECORD

Until Dietterick caught fire one night against Colgate last year and threw in 7 points, Jack Biery was the owner of the Penn State scoring record at Rec Hall as well as the Penn State scoring record on foreign courts.

Coach Lawther's leading point maker carved both these notches against Susquehanna. As a freshman in 1942 Biery totaled 22 counters to set the Rec Hall standard, and in last year's curtain raiser he racked up 25 points against his cousins from north-eastern Pennsylvania to establish

the record that Dietterick later cracked.

In addition to Simon's assault on his fellow forward's very snaky record, Biery, himself, has twice laid siege to his own mark. Against both DePauw and Colgate the slim dark high scorer tallied 21 points, adding cracks to the tottering structure.

Unfortunately, however, the actual Rec Hall mark is held by an invader. Colgate's Ernie Vandeweghe hung up 23 counters in an overtime battle to cop this honor last week.

### BATNICK LEAVES

With Irv Batnick the only Lawtherman bowing out and Ruhlman and Nordlum developing along the lines they showed Saturday night, it could be that this record along with others will have Nittany Lion names after them at the end of next year's season.

As a kind of prophecy it might be worthwhile adding that this column has high hopes of much aid in the record seeking, especially in the win-lose column, from a certain gangling, but very quick guy named Martin Costa.

# BTP-A Triumphs In IM Volleyball

After losing the first game in a best of three series, Beta Theta Pi-A made a strong come-back and won the last two games 15-13 and 15-12 respectively in Monday night's action in the Intramural Volleyball League.

Other winners of the evening were Tau Kappa Epsilon-A, Delta Chi-A, Phi Sigma Kappa-A, Alpha Zeta, Triangle, Acacia-A, Lambda Chi Alpha-A, and Delta Sigma Phi.

### Tonight's schedule:

7:00 Alpha Gamma Rho—Pi Kappa Phi-A (1), Delta Theta Sigma—Phi Kappa Sigma-A (2), Kappa Delta Rho-A—Sigma Alpha Epsilon-A (3), 8:00 Pi Lambda Phi—Sigma Phi Sigma-A (1), Beta Theta Pi-B—Sigma Pi-B (2), Phi Kappa-B—Pi Kappa Phi-B (3), 9:00 Beta Sigma Rho-B—Sigma Alpha Epsilon-B (1), Delta Upsilon-B—Phi Gamma Delta-B (?), Lambda Chi Alpha-B—Zeta Beta Tau-B (3).

in the prone position, and Gerald Prange with a mark of 274 out of 300 led the team to its 12th victory of the season.

In recent postal matches, the riflemen dropped five out of eight encounters.

# Nittany Lions Compete In Varsity Table Tennis

One of the most popular and fastest growing sports in the country, table tennis, has been organized at the College for competition in the intercollegiate table tennis world.

A short schedule is planned for the current season. Two city teams, Altoona and Reading, along with the University of Pennsylvania and Temple have been contacted as to possible matches.

A team of five will be chosen to represent the Lions. Heading the list of prospective players is George Brazzle, manager, Gene Weeber, Dick Kielman, Frank Gripka, John Karl and Max Kipfer.

Anyone interested in trying out for the team should contact Coach Ray Conger at Rec Hall; he will arrange for tryout matches in the Armory.

Ray Conger, coach of the newly organized group, states: "Since table tennis is such a popular sport in fraternity houses as well as town house dormitories, we should have little trouble in fielding a strong team."

Working out daily in the armory a large crew of contenders are making their bids for the team

already. Likely prospects are Dick Rogers, Tom Morgan, Dick Wherley and Robert Nein.

## How many operators will we need NEXT YEAR?

This is but one of the many questions telephone men are called upon to answer.

Part of their work has always been to anticipate demands for personnel . . . to determine what additional equipment must be provided, what new construction will be necessary to handle the constantly increasing demands for service.

Careful planning in every phase of telephone work requires the services of many qualified men. For them, this growing business offers the opportunity for active, interesting careers.

There's a future in telephony.
