Last Minute Injury Sidelines Fencer

A saber wound received in the last few minutes of practice Thursday evening prevented Bob Thompson, number one saberman on the Penn State squad, from competing in the National Inter-collegiate matches at Annapolis today.

Thompson, who was taken to the College infirmary Thursday, will have x-rays taken today to determine the extent of his injuries.

While fencing with a teammate, Thompson lunged forward just as his opponent lunged. The saber point broke through the mesh of the mask, penetrated Thompson's nostril and went into his cheek.

Paul Younkin replaced Thomp-

son in the tournament but may not be able to compete since the official application was sent in for Thompson. Dave Ozarow and Rolf Wald are the other Lion competitors.

JEFFERSON'S ROUGH DRAFT OF THE DECLARATION OF INDEPENDENCE

A Declaration by the Representatives of the UNITED STATES OF AMERICA, in General Congress assembled

When in the course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the laws of nature and of nature's god entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness; that to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, & to institute new government, laying its foundation on such principles & organizing its powers in such form, as to them shall appear most likely to promote their safety and happiness.

Part of the original manuscript of the Declaration of Independence, written by Thomas Jefferson. It is now on display aboard the "Freedom Train." The revisions shown were included in the document finally presented to the Continental Congress.
